Trade Display & Networking Opportunity

This will not take the form of formalized Trade Booths, but rather a more casual environment conducive with networking and engagement.

- Pull up banners
- Table front signage
- Display products and equipment (if possible)
- Brochures and pamphlets, or
- Create a digital QR code for information sharing
- Product samples and/or giveaways if appropriate

YOU PROVIDE:

- Static display - 3m x 3m space*
- BYO Marquee if required (outdoor spaces available)
- Your own flights and accommodation

**Note that your company provides all of your own equipment, booth/stands etc for display.*

VENUE PROVIDES:

- Trestle tables and 2 chairs will be provided at/by venue.
