

How do we educationally support our Rural Generalists?

**Dr Sandra Mendel Senior Lecturer Rural Health
Bathurst Rural Clinical School**

**WESTERN SYDNEY
UNIVERSITY**

**KEEP
CALM
BECAUSE
I DON'T
KNOW**

Rural Generalist Medicine is the future
of health care in Australia

In 2017 a National Rural Health
Commissioner will be appointed

Rural Generalist Medicine is a unique
set of abilities and skills in a broad
scope of practice that meets the
communities needs

What we do
know

to agree with and
give encouragement to
someone or something
because you want him,
her, or it to succeed
