

Harry the Hirer has been appointed as the official Shell Scheme Stand builder and electrical supplier. You will receive a link direct from Harry the Hirer to log into an exhibitor portal to set up your account. Within the portal you will be able to confirm your exhibition booth inclusions including fascia signage, standard power and lighting and order any extra stand requirements for the exhibition (at your own expense) e.g. furniture, additional lighting and power, audio visual, stand graphics and custom display requirements.
