

All times listed are AEDT

### Wednesday 3 November 2021

All times AEDT 11.00 AM - 11.10 AM			Welcome and Acknowledgement of Country by ARMS President, Dr Ross McLennan		
11.10 AM - 11.55 AM			Keynote Speaker - Collin Ellis - How to be productive and empathetic at the same time!		
11.55 AM - 12.05 PM			Partnership Session - Platinum & Gold Partners		
12.05 PM - 12.20 PM			BREAK- with virtual exhibition & poster viewing		
			Concurrent Session 1 - Assessing Research		Concurrent Session 2 - Conducting Research
12.20 PM - 12.40 PM			2 - Using mixed methods to evaluate emotional impacts of an exhibition of contemporary art - <i>Lesley Brook, Otago Polytechnic</i>		10 - NHMRC update on the current review of the National Statement - <i>Mr Jeremy Kenner &amp; Ms Jillian Barr, NHMRC</i>
12.40 PM - 1.00 PM			6 - What research activities does the block grant support at the University of Cambridge? - <i>Ms Becky Ioppolo, The University Of Western Australia</i>		13 The work of the Australian Research Integrity Committee (ARIC) - <i>Patricia Kelly, Australian Research Integrity Committee</i>
1.00 PM - 1.20 PM			30 - Assessing and Communicating Research Impact: An Innovative Venture in HASS - <i>Dr Nanda Jarosz, University Of Sydney</i>		8 - Research presents risks to universities that need to be managed - <i>Dr Ted Rohr, UNSW</i>
1:20 PM - 1:50 PM			BREAK- with virtual exhibition & poster viewing		
1:50 PM - 2:50 PM			<p><b>PANEL SESSION #1: SUSTAINABILITY OF RESEARCH FOR THE FUTURE</b></p> <p>Spending on research and development across higher education has almost doubled over the past decade. The coronavirus pandemic and the collapse in international students has exposed serious structural issues universities are now grappling with.</p> <p>Health and Medical Research sector plays a critical role for the health and welfare of the National population. However, the biggest impediment is the funding gap between the completion of an academic research project and the development of a commercially viable proposal.</p> <p>The panel will discuss their respective national research agenda and how the implementation addresses the long-term funding sustainability in particular:</p> <ul style="list-style-type: none"> <li>* Singapore Research Innovation &amp; Enterprise 2025</li> <li>* New Zealand National Statement of Science Investment 2015-2025</li> <li>* Australia 2030: Prosperity through Innovation</li> </ul> <p>The panel will also discuss the following key questions:</p> <ul style="list-style-type: none"> <li>* How do we invest in research as a critical national capability?</li> <li>* How do we address research translation and commercialisation, (i.e. research engagement and impact)?</li> <li>* How strategic research funding fosters a culture innovation and prepares a nation through crises and pandemics?</li> </ul> <p><b>Panellists:</b> Prof Sue Thomas (ARC CEO), Prof Anne Kelso (NHMRC CEO), Prof Andy Hor (A*STAR Senior Director) and Dr Prue Williams (MBIE CEO)  <b>Facilitator:</b> A/Prof Tam Nguyen, Deputy Director Research, St Vincent's Hospital, Assoc Prof, Melbourne Medical School &amp; Monash Medical School</p>		
			5 minute stretch break		
2:55 PM - 3.55PM			Concurrent Session 3 - Connecting Research		Concurrent Session 4 - Developing Research
2.55pm - 3.15pm			20 - University roles in the Digital Transformation of Australian Agriculture: management and policy choices - <i>Professor Derek Baker, University Of New England</i>		32 - Promoting Research Culture and Building Research Capacity Among Early Career Researchers - <i>Dr Meenakshi Annamalai Mr Kden Tan &amp; Ms Yan Ru Rachael Tan, National University Of Singapore</i>
3.15pm - 3.35pm			31 - Maintaining Global Research Collaborations in a Digital Age - <i>Mr Stefan Delfgou &amp; Dr Tom Griffiths, Uow</i>		15 - Researchers in Industry – disrupting the funding model - <i>Ms Kate Swanson, The University Of Queensland</i>
3.35pm - 3.50pm			29 Off life-support: innovation, engagement, collaboration and management of public health research – sustained impact, health literacy development through co design - <i>Mr Ranjit Gajendra Nadarajah, Swinburne University Of Technology</i>		7 - How to change the world: supporting ECRs to have impactful careers - <i>Dr Faith Welch, University Of Auckland</i>
5:00 PM - 5:30 PM			Annual General Meeting (Optional) - Link via Zoom		

## Thursday 4 November 2021

<i>All times AEDT</i> 10:00 AM - 10.45 AM	Masterclass: How to build and maintain a vibrant team culture - Presented by Colin Ellis - Sponsored by Emerald Publishing	
11.00 AM - 11.10 AM	Welcome and Acknowledgement of Country by incoming ARMS President, Dr Tania Bezzobs	
11.10 AM - 12.00 PM	Keynote Speaker - Dr Denise Riordan - Chief Psychiatrist - ACT Health	
12.00 PM - 12.30 PM	BREAK- with virtual exhibition & poster viewing	
12:30 PM - 1:30 PM	Concurrent Session 5 - Sponsor Presentations	Concurrent Session 6 - Knowledge Commercialisation Australia (KCA) Panel
	12.30 – 12.36 – F1 Solutions 12.37 – 12.42 – Australian Research Council 12.43 – 12.48 – Clarivate 12.49 – 12.54 – Research Master 12.55 – 1.00 – Emerald Publishing 1.01 – 1.05 – Cayuse 1.06 – 1.10 – Deakin University 1.11 – 1.16 – ExLibris 1.17 – 1.21 – InfoEd Global 1.22 – 1.25 – Grow Impact 1.26 – 1.29 – Western Sydney University	Knowledge Commercialisation Australia (KCA) Panel - details TBC
1.30 PM - 1.45 PM	BREAK- with virtual exhibition & poster viewing	
	Concurrent Session 7 - Conducting & Disseminating Research	Concurrent Session 8 - Connecting Research
1.45 PM - 2.05 PM	27 - Facilitating research during a pandemic: Reactive vs Proactive approach - Jennifer Rowland & Dr Yordanka Krastev, Macquarie University	18 - Reimagining research management in shaping the future role of University knowledge development and connection - Mr Sejul Malde & Ms Jo Haslam, ANU
2.05 PM - 2.25 PM	16 - Application of FAIR and CARE principles in research data management practice - Dr Francis Gacenga, University Of Southern Queensland	19 - Facilitating Interdisciplinary Collaborations: Finding a common language - Dr Joanne Dolley, Griffith University
2.25 PM - 2.45 PM	23 - Challenging the status quo (openness in animal research and the use of annual animal statistics) - Ms Nicole Clark, The University Of Sydney	25 - Fostering research excellence at St Vincent's Hospital Melbourne: Research Facilitation Initiatives - Dr My-nhan Nguyen, St Vincent's Hospital Melbourne
2.45 PM - 3.45 PM	<b>PANEL SESSION # 2 - DISRUPTIVE TECHNOLOGIES TO SUPPORT THE CHANGING RESEARCH MANAGEMENT LANDSCAPE</b>  Do disruptive technologies have a place in research management? We hear a lot about machine processing/learning, artificial intelligence and block chain, but how can these technologies make the life of the research manager easier and the support we provide the research enterprise better. And what does it mean for our profession? Will there be fewer jobs or will we simply be doing things differently? Perhaps things will stay the same....  <b>Panellists:</b> Professor Mary-Anne Williams (Michael J Crouch Chair for Innovation UNSW), Dr Mark Staples, (Senior Principal Researcher - CSIRO Data61) and Judy Alexander (Associate Director Research Grants Newcastle) <b>Facilitator:</b> Dr Campbell Thomson, (Director, Office of Research, The University of Western Australia)	
3.45 PM - 4.15 PM	AWARD CEREMONY AND CLOSE	

## Friday 5 November 2021

<i>All times AEDT</i> 11.00 AM - 11.10 AM	Welcome and Acknowledgement of Country by incoming ARMS President, Dr Tania Bezzobs	
11.10 AM - 12.00 PM	Keynote Speaker - Dr Sereana Naepi - Lecturer at Waipapa Taumata Rau University of Auckland	
12.00 PM - 12.30 PM	BREAK- with virtual exhibition & poster viewing	
	Concurrent Session 9 - Conducting Research	Concurrent Session 10 - Developing Research
12.30 PM - 12.50 PM	14 - Growing a sustainable and collaborative research culture: The IGA journey - Ms Kalene Pek, Institute of Geriatrics And Active Ageing, Tan Tock Seng Hospital, Singapore	11 - Impact Bites: A sustainable way to produce a large database of impact case study videos - Ms Eszter Muradin & Dr Faith Welch, The University Of Auckland
12.50 PM - 1.10 PM	22 - Fostering a positive research impact culture – three perspectives - Ms Joann Cattlin, The University Of Melbourne, Dr Wade Kelly, La Trobe University & A/Prof Wendy Steele, RMIT University	3 - Strategic Research Investment: Learnings and success factors from a funding body - Mrs Jade Hurst, Transport Accident Commission
1.10 PM - 1.20 PM	17 - Challenging the Contract Research Model – When HDR candidates are involved - Ms Kate Swanson, The University Of Queensland	9 - Developing applicants through the NHMRC Investigator Grant scheme: Investing in early- and mid-career researchers - Courtney Bendall, Macquarie University
1.30 PM - 1.45 PM	BREAK- with virtual exhibition & poster viewing	
1:45 PM - 2:45 PM	<b>PANEL SESSION #3 - CREATING A DIVERSE AND INCLUSIVE RESEARCH WORKFORCE FOR THE FUTURE</b>  To create a diverse and inclusive research workforce we need to draw from a wide range of backgrounds, perspectives, and experiences. This approach can lift innovation and creativity and depend on the strength, quality, and growth of a research system. As a research community, we have a role to play to ensure our research workforce mirrors the communities we are engaging with and being asked to support. The panel will discuss their institutes approached and initiatives to improve the equity, diversity, and inclusivity.  <b>Panellists:</b> Alice Boland (Senior Manager, Research and Innovation Capability, RMIT University), A/Prof Sierin Lim (Associate Dean (Global Partnerships), Graduate College, Nanyang Technological University, Singapore) and Dr Sereana Naepi (Lecturer at Waipapa Taumata Rau University of Auckland) <b>Facilitator:</b> Jaylene Wehipeihana, (Research Manager, Vision Matauranga at The University of Auckland)	
2.45 PM - 3.15 PM	CLOSING SESSION
