# A NEW FORMAT FOR 2021

The **12<sup>th</sup> Australasian Viral Hepatitis Conference** will adopt a hub model with each day of the three-day conference taking place in a different location allowing our community to come together to learn, connect, network and collaborate.

All three days will be live streamed, allowing delegates who are not able to attend one of the three hubs to join via a virtual platform.

**Abstract Submission:** 7 February 2021

**Early Bird Registration:** 28 March 2021

**Accommodation:** 25 April 2021
