

08:30 - 10:30	Opening Ceremony & Plenary <i>Chairs: Phill Read, Jason Grebely, & Jacqui Richmond</i>		
08:35 - 08:40	Welcome to Country <i>Uncle Allen Madden, Sydney Metropolitan Land Council, Australia</i>		
08:40 - 08:50	Welcome to Conference <i>Phill Read, Kirketon Road Centre, Australia and Jason Grebely, INHSU; The Kirby Institute, UNSW Sydney, Australia</i>		
08:50 - 09:00	Community Opening <i>Sione Crawford, Harm Reduction Victoria, Australia</i>		
09:00 - 09:20	Clinical Interventions to Improve the Health of People Who Use Opioids: What do We Need to do Differently Moving Forward? <i>Sarah Wakeman, Massachusetts General Hospital, United States</i>		
09:20 - 09:40	Key Policy Challenges that Must be Addressed to Improve the Health of People Who Use Drugs: Learning From the Past to Inform the Future <i>Alison Ritter, University of NSW, Australia</i>		
09:40 - 10:00	Questions & Discussion		
10:00 - 10:15	Association of Opioid Agonist Treatment with All-Cause Mortality and Specific Causes of Death Among People with Opioid Dependence: A Systematic Review and Meta-Analysis <i>Thomas, Santo Jr., National Drug & Alcohol Research Centre, UNSW Sydney, Australia</i>		
10:15 - 10:30	Switching From a Criminalisation to a Public Health Approach to Injecting Drug Use in Eastern Europe and Central Asia: A Modelling Analysis of the Costs and Impact on HIV Transmission <i>Zoe Ward, University of Bristol, UK</i>		
10:30 - 11:10	Coffee Break and Exhibition Open		
11:10 - 12:45	Innovations to Enhance the Health of People Who Use Drugs <i>Chairs: Matt Bonn & Chrianna Bharat</i>	11:10 - 12:45	Policy and Advocacy Next Steps to Improve the Health of People Who Use Drugs <i>Chairs: Chris Gough & Kari Lancaster</i>
11:15 - 11:35	Community and Peer-Led Models to Enhance the Health of People Who Use Drugs <i>Sione Crawford, Harm Reduction Victoria, Australia</i>	11:15 - 11:35	Improving the Health of People Who Use Stimulants: Where to Next? <i>Rebecca McKetin, National Drug And Alcohol Research Centre, Australia</i>
11:35 - 11:55	Long-Acting Depot Buprenorphine For Drug Dependency Management <i>Rick Altice, Yale University, United States</i>	11:35 - 11:55	Supervised Consumption Sites: Reflecting on the Past to Inform the Future <i>Marianne Jauncey, United Medically Supervised Injecting Centre (MSIC), Australia</i>
11:55 - 12:15	Opioid Overdose Among People Who Use Drugs: What Next? <i>Paul Dietze, Burnet Institute, Australia</i>	11:55 - 12:15	The Role of Advocacy and Civil Society in Progressing Action to Improve the Health of People Who Use Drugs <i>Carrie Fowle, Hepatitis Australia, Australia</i>
12:15 - 12:45	Questions & Discussion	12:15 - 12:45	Questions & Discussion
12:45 - 14:25	Lunch		
13:15 - 14:15	Industry Sponsored Symposium - Putting the Individual First: Patient-centric Management of HCV <i>Jason Grebely, INHSU; The Kirby Institute, UNSW Sydney, Australia</i>		
	Acknowledgement of Country and Objectives <i>Jason Grebely, INHSU; The Kirby Institute, UNSW Sydney, Australia</i>		
	The Individual's Path to Empowerment <i>Chris Gough, Canberra Alliance for Harm Minimisation and Advocacy, Australia</i>		
	Are We Doing Enough to Individualise Care? <i>Joss O'Loan, Kombi Clinic, Australia</i>		
	How Can We Break Down the Remaining Barriers? <i>Leanne Myers, Peer Based Harm Reduction WA, Australia</i>		
	The Patient's Call to Action		
	Live Panel Discussion – What are the Priorities Moving Forward? <i>Jason Grebely, Chris Gough, Joss O'Loan & Leanne Myers</i>		
	The Patient Voice – Closing Statement		
14:25 - 15:50	Research Oral Abstract Session — Addressing Drug Related Harms <i>Chairs: Daniel O'Keefe & Mary Harrod</i>	14:25 - 15:55	Hepatitis C Models of Care Abstracts <i>Chairs: Andrew Seaman & Leanne Myers</i>
14:30 - 14:45	An Open-Label, Multicentre, Single-Arm Trial of Monthly Injections of Extended Release Buprenorphine in People with Opioid Use Disorder: The COLAB Study <i>Michael Farrell, National Drug and Alcohol Research Centre, Australia</i>	14:30 - 14:45	Rapid Point of Care HCV Testing Allows High Throughout HCV Screening and Rapid Treatment Uptake Among PWID Attending a Medically Supervised Injecting Room <i>Nico Clark, North Richmond Community Health, Australia</i>
14:45 - 15:00	The UNLOC-T Trial: Implementing Depot Buprenorphine in NSW Correctional Facilities <i>Adrian Dunlop, Drug & Alcohol Clinical Services, Hunter New England Health, Australia</i>	14:45 - 15:00	Early Phase Implementation of Routine Opt Out Hepatitis C Testing in the Philadelphia Jail System <i>Lora Magaldi, Philadelphia FIGHT, USA</i>
15:00 - 15:05	Preferences for Opioid Agonist Treatment Among People Who Regularly Use Opioids in Australia: The Prefer Study <i>Louisa Degenhardt, National Drug and Alcohol Research Centre, Australia</i>	15:00 - 15:15	Moving Towards Microelimination with C-Free: An Effective Community-Based Model of Care for Hepatitis C in People Who Use Drugs in Thailand <i>Tanyaporn Wansom, Dreamlopmnts, Thailand</i>
15:05 - 15:10	High Levels of Uptake and Use of Naloxone Among Participants in a Take-Home-Naloxone Program in Stockholm, Sweden <i>Elin Holmén, Karolinska Institutet, Sweden</i>	15:15 - 15:20	Same Day Delivery! HCV Point of Care Testing in South East Queensland Marginalised Communities Simplifies Diagnosis and Ensures Rapid Access to Treatment <i>Joss O'Loan, Kombi Clinic, Australia</i>
15:10 - 15:15	The Effect of Person, Treatment and Prescriber Characteristics on Retention in Opioid Agonist Treatment: 15-year Retrospective Cohort Study <i>Chrianna Bharat, National Drug and Alcohol Research Centre, Australia</i>	15:20 - 15:25	The Power of Peers: Increasing the Uptake of HCV Testing and Treatment Amongst People Who Inject Drugs <i>Leanne Myers, Peer Based Harm Reduction WA, Australia</i>
15:15 - 15:20	Does Take-Home Naloxone Program Participation Result in the Use of Naloxone at Witnessed Overdoses: Findings From a Cohort Study of the Implementation of the UNODC-WHO Stop Overdose Safely Initiative in Kazakhstan, Kyrgyzstan, Tajikistan and Ukraine <i>Paul Dietze, Burnet Institute, Australia</i>	15:25 - 15:30	Enhancing the Hepatitis C Care Cascade Among People in Custody in Iran <i>Sanam Hariri, Digestive Diseases Research Institute, Iran</i>
15:20 - 15:25	"We've had a Circuit Breaker for an Old Dogma of more than 20 Years": Changes to Opioid Agonist Treatment Services During COVID-19, the CHOICE Study <i>Anna Conway, The Kirby Institute, UNSW Sydney, Australia</i>	15:30 - 15:35	Pharmacist-Led Telephone Clinic is an Effective Strategy for Treating Patients with Hepatitis C and Removing Barriers to Engagement <i>Andrew Sommerville, NHS Greater Glasgow And Clyde, UK</i>
15:25 - 15:30	Determinants of Long-Term Retention in Opioid Agonist Therapy Among People Who Inject Drugs in Montreal, Canada <i>Dragos Vlad, Research Centre, Centre Hospitalier De L'université De Montréal, Canada</i>	15:35 - 15:40	A Novel Hepatitis C Intervention in Denmark to Test and Treat People Who Inject Drugs <i>Jeffery V. Lazarus, University of Barcelona, Spain</i>
15:30 - 15:35	Trends and Factors Associated with Drug Use in South Africa: Findings from Multiple National Population-Based Household Surveys <i>Kennedy Kipkoech, University of Bristol, UK</i>	15:40 - 15:45	Three-Armed, Cluster Intervention Study of Hepatitis C Viremia Testing for People Who Inject Drugs in Georgia <i>Maia Japaridze, Foundation For Innovative New Diagnostics, Georgia</i>
15:35 - 15:50	Questions & Discussion	15:45 - 15:55	Connecting with Care Film – Ahtakakoop, Canada: Know Your Status Project <i>INHSU</i>
15:50 - 16:25	Coffee Break and Exhibition Open		
16:25 - 17:20	Research Oral Abstract Session – Hospitalisations Among People Who Use Drugs <i>Chairs: Samantha Colledge & Nico Clarke</i>	16:25 - 17:20	Research Oral Abstract Session – Changes in Drug Use
16:30 - 16:45	Hospital Separations for Injecting-Related Injuries and Diseases Among People Prescribed Opioid Agonist Treatment in New South Wales: A Retrospective Data Linkage Study <i>Samantha Colledge, National Drug and Alcohol Research Centre, UNSW Sydney, Australia</i>	16:30 - 16:45	Fentanyl Concentration in Drug Checking Samples and Risk of Drug-Related Mortality During an Illicit Drug Toxicity Crisis in Vancouver, Canada: A Time Series Analysis <i>Mary Clare Kennedy, British Columbia Centre On Substance Use, Canada</i>
16:45 - 17:00	Exploring Perspectives of People Who Use Drugs on Hospital-Based Interventions for Hepatitis C Treatment Using an Access to Care Integrated Framework – A Qualitative Analysis <i>Ximena Levander, Oregon Health & Science University, USA</i>	16:45 - 17:00	Increasing Drug-related Mortality Over the Last Decade Among Scotland's HCV-diagnosed PWID Population <i>Scott Mcdonald, Glasgow Caledonian University, UK</i>
17:00 - 17:15	Fear of Inpatient Opiate Withdrawal: A Modifiable Barrier to Health-Care Access for People Who Use Illicit Opiates <i>Magdalena Harris, London School of Hygiene & Tropical Medicine, UK</i>	17:00 - 17:15	Injecting as a Social Practice: Illuminating the Party-and-Play Practice Bundle Among Gay and Bisexual Men in Australia <i>Sophia E. Schroeder, Burnet Institute, Australia</i>
17:15 - 17:20	Impact of Drug Consumption Rooms on Non-Fatal Overdoses, Abscesses, and Emergency Room Visits in People Who Inject Drugs in France: Results From the Cosinus Cohort <i>Perrine Roux, INSERM, France</i>	17:15 - 17:20	The Impact of Syringe Services Program Closure on the Risk of Rebound HIV Outbreaks Among People Who Inject Drugs: A Modeling Study <i>Xiao Zang, School of Public Health, Brown University, USA</i>
17:20 - 17:50	Speed Networking <i>Are you missing the hallway conversations at INHSU? In this networking event you will be placed in random groups for two 15-minute sessions. Cameras and microphones will be on. This is your chance to meet with friends and colleagues from across the globe that you haven't seen since 2019.</i>
