

## SUNDAY 14 OCTOBER

**3.00pm-6.00pm** Registration Open - Melbourne Convention Centre, Foyer Plenary 3

**9.00am-5.00pm** IUSTI EXCO Meeting  
Melbourne Convention Centre

Room: Hospitality Suites, Exhibition Hall Bays 13-14, Room 4.201 - 4.204

**6.30pm-10.00pm** IUSTI Board Dinner and Sexual Health Conference Convenors Dinner

# MONDAY 15 OCTOBER

7.00am	<b>Registration - Melbourne Convention Centre, Foyer Plenary 3</b>		
8.30am–10.00am	<b>13th IUSTI World Congress and 2012 Australasian Sexual Health Conference: Opening Ceremony sponsored by the Department of Health and Ageing</b>		
	<b>Room: Plenary 3, Door 4 Lower Ground</b> <b>Chairs: Richard Hillman and David Lewis</b>		
8.35am–8.40am	<b>Welcome to Country</b> Colin Hunter, Wurundjeri Tribe Council		
8.40am–8.45am	<b>Introduction by Conference Convenor</b> Professor Christopher Fairley, Professor, Sexual Health, University of Melbourne; Director, Melbourne Sexual Health Centre, Melbourne, VIC, Australia		
8.45am–8.52am	<b>Introduction by IUSTI Representative</b> Dr Raj Patel, President- IUSTI, Genito Urinary Medicine, The Royal South Hants Hospital, England		
8.52am–9.00am	<b>Welcome to the Conference and Introduction of the Gollow Lecturer</b> Professor Richard Hillman, President, Australasian Chapter of Sexual Health Medicine, Sydney, NSW, Australia		
9.00am–10.00am	<b>Gollow Lecture: ‘Will Herpes ever be curable?’ A review of the problems , the science and the reasons for study failure (but always adding more to our knowledge)</b> Dr Raj Patel, President- IUSTI, Genito Urinary Medicine, The Royal South Hants Hospital, England.		
10.00am–10.30am	<b>Morning Tea in Exhibition and Poster Area</b> <b>Exhibition Hall, Bays 13 - 14</b>		
10.30am–12.00pm	<b>13th IUSTI World Congress and 2012 Australasian Sexual Health Conference: Plenary 1</b> <b>Room: Plenary 3, Door 4 Lower Ground</b> <b>Chairs: Janet Wilson and Hunter Handsfield</b>		
10.30am–11.00am	<b>What are the essential and effective approaches to STI control?</b> Professor King Holmes, Chair, Global Health, Professor, Department of Medicine, Professor, Global Health, Adjunct Professor, Epidemiology, School of Public Health, University of Washington, USA		
11.00am–11.30am	<b>Networks and STI</b> Professor Sevgi Aral, Clinical Professor, University of Washington School of Medicine, Associate Director for Science, Division of STD Prevention, Centers for Disease Control and Prevention (CDC), USA		
11.30am–12.00pm	<b>What’s required to make a difference - the need to upscale strategies to address sexually transmitted infections in Australian Aboriginal and Torres Strait Island communities</b> Mr James Ward, Deputy Director, Baker Institute, NT, Australia		
12.00pm–1.00pm	<b>Lunch in Exhibition and Poster Area</b> <b>Exhibition Hall, Bays 13 - 14</b>		
12.00pm–1.30pm	<b>Chapter Education Committee Meeting - Hospitality Suites, Exhibition Hall Bays 13-14, Room 4.201 - 4.203</b>		
12.15pm–1.15pm	<b>Satellite Session - American Social Health Association and the American STD Association: New Molecular Diagnostic Assays for HPV and <i>Trichomonas vaginalis</i></b> <b>Room 219 and 220</b>	12.15pm–1.15pm	<b>Satellite Session: The first NHMRC Program Grant on sexually transmissible infections: A progress report to stakeholders at the halfway mark - Room 212</b>
12.15pm–12.35pm	<b>Trichomonis Vaginalis Infection: Time for a Diagnostic Paradigm Shift</b> Professor Charlotte Gaydos, Division of Infectious Diseases, Johns Hopkins University, Baltimore, Maryland, USA	12.15pm–12.20pm	<b>Introduction</b> Professor John Kaldor, Public Health Interventions Research Group, The Kirby Institute, Sydney, NSW, Australia

## MONDAY 15 OCTOBER

12.35pm-12.55pm	<b>A Review of Trichomonas vaginalis Prevalence in Routine Diagnostic Samples using the Gen-Probe APTIMA Assay</b> Dr Michael Leung, Head, Department of Microbiology, Western Diagnostic Pathology, WA, Australia	12.20pm-12.35pm	<b>Point of care, home specimen and other new approaches to getting STI tests done</b> Dr Rebecca Guy, Senior Lecturer, Sexual Health Program, The Kirby Institute, Sydney, NSW, Australia
12.55pm-1.15pm	<b>Clinical Performance of Molecular Diagnostic Assays for Detection of Cervical Cancer</b> Associate Professor, Jennifer S. Smith, Research Associate Professor, Department of Epidemiology, University of North Carolina, Chapel Hill, North Carolina, USA	12.35pm-12.50pm	<b>Molecular techniques utilized to answer STI questions</b> Associate Professor Sepehr Tabrizi, The Royal Women's Hospital, Melbourne, Vic, Australia
		12.50pm-1.05pm	<b>Approaches to preventing anal cancer</b> Professor Andrew Grulich, Professor and Head of HIV Epidemiology and Prevention Program The Kirby Institute, Sydney, NSW, Australia
		1.05pm-1.15pm	<b>Panel Discussion and questions led by Chief Investigators</b>
<b>1.30pm-3.00pm</b>	<b>Proffered Paper Session: Bacterial vaginosis and gonorrhoea</b> <b>Room: Plenary 3</b> <b>Chairs: Catriona Bradshaw and Somesh Gupta</b>	<b>1.30pm-3.00pm</b>	<b>Proffered Paper Session: New testing strategies, from lab to the real world</b> <b>Room: 219 and 220</b> <b>Chairs: Sepehr Tabrizi and Keith Radcliffe</b>
			<b>1.30pm-3.00pm</b>
1.30pm-1.48pm	<b>Lactic acid, a natural microbicide in the female genital tract</b> Muriel Aldunate (Australia)	1.30pm-1.45pm	<b>Laboratory evaluation of five point of care tests for the diagnosis of syphilis</b> Louise Causer (Australia)
1.48pm-2.06pm	<b>A pilot study to propose disk diffusion interpretation breakpoints for gentamicin susceptibility testing of neisseria gonorrhoeae</b> Manju Bala (India)	1.45pm-2.00pm	<b>An overview of successful large scale automated case detection: Assisting public health with the identification of reportable conditions</b> Judy Gichoya (Kenya)
2.06pm-2.24pm	<b>Behavioural and contraceptive factors associated with BV recurrence in participants enrolled in a randomized controlled trial</b> Lenka Vodstrcil (Australia)	2.00pm-2.15pm	<b>Point of care testing improves accuracy of STI care in an ED</b> Jill Huppert (USA)
2.24pm-2.42pm	<b>Clinical study demonstrates efficacy and safety of spl7013 gel (vivagel®) for the treatment of bacterial vaginosis</b> Jeremy Paull (Australia)	2.15pm-2.30pm	<b>Targeted community screen, routine health centre testing or both: An evaluation of strategies in an endemic setting</b> Bronwyn Silver (Australia)
			<b>1.30pm-3.00pm</b>
			<b>Proffered Paper Session: Addressing sexual risk and STI among men who have sex with men</b> <b>Room: 212</b> <b>Chairs: Anna McNulty and Immy Ahmed-Jushuf</b>
			<b>1.30pm-1.45pm</b>
			<b>Incidence of syphilis reinfection in MSM in Victoria, Australia</b> Jane Goller (Australia)
			<b>1.45pm-2.00pm</b>
			<b>Increases in the comprehensiveness of STI testing among gay men in Melbourne and Sydney: Findings from the gay community periodic surveys, 2003-2011</b> Martin Holt (Australia)
			<b>2.00pm-2.15pm</b>
			<b>Factors related to condom use during anal intercourse with casual partners among younger gay and bisexual men in New Zealand; results from national sociobehavioural surveillance (2006-2011)</b> Nathan Lachowsky (Canada)
			<b>2.15pm-2.30pm</b>
			<b>Queer as f**k: Reaching and engaging gay men in sexual health promotion through social networking sites</b> Mark Stooove (Australia)

## MONDAY 15 OCTOBER

2.42pm– 3.00pm	<b>Rethinking gonococcal anti-microbial surveillance in the era of Ceftriaxone resistance: PCR-based detection of neisseria gonorrhoeae strains of public health importance</b> David Whiley (Australia)	2.30pm– 2.45pm	<b>Analytical performance of Genexpert® CT/NG, the first real-time PCR point-of-care assay for the detection of chlamydia trachomatis and neisseria gonorrhoeae</b> Sepehr Tabrizi (Australia)	2.30pm– 2.45pm	<b>What factors are associated with azithromycin resistant treponema pallidum in Sydney, Australia?</b> Phillip Read (Australia)
		2.45pm– 3.00pm	<b>Detection of Syphilis IgM using dried blood spots</b> Joy Liu (Australia)	2.45pm– 3.00pm	<b>Do homosexual men have HIV tests more frequently if they are offered point of care HIV testing in a clinic? A randomised controlled trial</b> Tim Read (Australia)
<b>3.00pm– 3.30pm</b>	<b>Afternoon Tea in Exhibition and Poster Area Exhibition Hall, Bays 13 - 14</b>				
<b>3.30pm– 5.00pm</b>	<b>Symposium Session: Adolescent Vaccines</b>	<b>3.30pm– 5.00pm</b>	<b>Symposium Session: Sexual networks, behaviour and mixing and STI transmission</b>	<b>3.30pm– 5.00pm</b>	<b>IUSTI Regions Symposium Session: Hot topics from around the world</b>
	<b>Room: Plenary 3 Chairs: Anthony Cunningham and Rachel Skinner</b>		<b>Room: 219 and 220 Chairs: Sevgi Aral and Jane Hocking</b>		<b>Room: 212 Chairs: Keith Radcliffe and Yaw Adu Sarkodie</b>
3.30pm– 3.52pm	<b>Immunisation for sexually acquired herpes simplex virus</b> Professor Anthony Cunningham, Executive Director, Westmead Millennium Institute for Medical Research, Westmead, NSW, Australia	3.30pm– 3.40pm	<b>Overview: Sexual networks, Behavior and mixing and STI transmission</b> Professor Sevgi Aral, Clinical Professor, University of Washington School of Medicine, Associate Director for Science, Division of STD Prevention, Centers for Disease Control and Prevention (CDC), USA	3.30pm– 3.50pm	<b>EPT: To Be or Not To BE?</b> Professor Charlotte Gaydos, Professor, Division Infectious Disease Medicine, Johns Hopkins University, Baltimore, USA
3.52pm– 4.15pm	<b>Exploiting Systems Immunology approach to design Prophylactic Vaccine for Human Cytomegalovirus</b> Professor Anthony Cunningham, Executive Director, Westmead Millennium Institute for Medical Research, Westmead, NSW, Australia	3.40pm– 4.05pm	<b>Distribution of MSM behaviours within populations and how this impacts on STI transmission</b> Associate Professor David Wilson, Head of Surveillance and Evaluation Program, Kirby Institute, University of New South Wales, Sydney, NSW, Australia	3.50pm– 4.10pm	<b>HIV Treatment as Prevention – How ready is Africa?</b> Professor Yaw Adu Sarkodie, Professor of Clinical Microbiology, School of Medical Sciences, Kwame Nkrumah University of Science and Technology, Ghana; Consultant Clinical Microbiologist and Genitourinary Physician, Komfo Anokye Teaching Hospital, Kumasi, Ghana
4.15pm– 4.36pm	<b>Vaccines for Epstein Barr Virus</b> Professor Scott Burrows, Principle Research Fellow (NHMRC), Queensland Institute of Medical Research, Brisbane, QLD, Australia	4.05pm– 4.25pm	<b>Modelling the impact of enhanced STI screening strategies in remote Indigenous communities</b> Dr Ben Hui, Mathematical Modeler, Kirby Institute, Sydney, NSW, Australia	4.10pm– 4.20pm	<b>Is your sexual health service delivering what patients want?</b> Professor Jonathan Ross, Professor, Sexual Health and HIV, University Hospital Birmingham, Birmingham, UK
4.36pm– 5.00pm	<b>Hepatitis B Vaccination in Adolescents</b> Associate Professor Joseph Torresi, Infectious Diseases Physician, Austin Hospital, Heidelberg; Associate Professor of Medicine, University of Melbourne, VIC, Australia	4.25pm– 4.45pm	<b>Sexual behaviour in heterosexual populations: implications for chlamydia control</b> Professor Nicola Low, Professor of Epidemiology and Public Health, University of Bern, Institute of Social and Preventive Medicine, Bern, Switzerland	4.20pm– 4.40pm	<b>Pre-exposure prophylaxis against HIV</b> Dr Keith Radcliffe, Consultant, HIV and Sexual Health Medicine, University Hospital, Birmingham, UK; Regional Director of IUSTI Europe
		4.45pm– 5.00pm	Discussion	4.40pm– 5.00pm	Discussion

## MONDAY 15 OCTOBER

**5.00pm–  
5.30pm** IUSTI General Assembly - Room 212

**5.30pm–  
7.30pm** Welcome Reception and Poster Viewing Evening [Drinks and Canapes to be served from 5.30pm]  
Exhibition Hall, Bays 13- 14

## TUESDAY 16 OCTOBER

<b>7.00am</b>	<b>Registration</b>		
<b>7.00am–8.30am</b>	<b>Satellite Session: World Health Organization (WHO) Evidence to support elimination of mother-to-child transmission (MTCT) of syphilis</b>		
	<b>Room: 219 and 220 Chair: Nathalie Broutet</b>		
7.00am–7.30am	<b>Updated estimates of global syphilis in pregnant women and congenital syphilis</b> Lori Newman (WHO, Switzerland)		
7.30am–8.00am	<b>Health policy and elimination goal of MTCT of HIV and syphilis, the example of China</b> Xiang-Sheng Chen (National Center for STD Control, China), Flora Wu (University College London, UK)		
8.00am–8.30am	<b>Integration of syphilis into broader MCH service provision</b> Mary Kamb (CDC, USA)		
<b>8.30am–10.00am</b>	<b>13th IUSTI World Congress and 2012 Australasian Sexual Health Conference: Plenary 2</b>		
	<b>Room: Plenary 3, Door 4 Lower Ground Chairs: Angelika Stary and Basil Donovan</b>		
8.30am–9.00am	<b>Optimising the management of pelvic inflammatory disease</b> Professor Jonathan Ross, Professor, Sexual Health and HIV, University Hospital Birmingham, Birmingham, UK		
9.00am–9.30am	<b>HPV: The Future? 10 years from now</b> Professor Suzanne Garland, Director of Microbiology & Infectious Diseases, The Royal Women's Hospital, Melbourne, VIC, Australia		
9.30am–10.00am	<b>Multi-drug resistant gonorrhoea – can we hold back the tide?</b> Professor David Lewis, IUSTI World President Elect and IUSTI Regional Director Africa, Head, Centre for HIV and Sexually Transmitted Infections, National Institute of Communicable Diseases, National Health Laboratory Service, South Africa		
<b>10.00am–10.30am</b>	<b>Morning Tea in Exhibition and Poster Area Exhibition Hall, Bays 13 - 14</b>		
<b>10.30am–12.00pm</b>	<b>Symposium Session: Improved Partner Management</b>	<b>10.30am–12.00pm</b>	<b>Symposium Session: Chlamydia update – current microbiological issues</b>
	<b>Room: Plenary 3 Chairs: Yaw Adu Sarkodie and Marcus Chen</b>		<b>Room: 219 and 220 Chairs: Hunter Handsfield and Jane Hocking</b>
10.30am–10.50am	<b>Expedited Partner Therapy for Gonorrhoea and Chlamydia Infection</b> Professor Matthew Golden, Director, HIV/STD Program, UW Center for AIDS & STD, Harborview Medical Center, Seattle, USA	10.30am–10.50am	<b>Should we worry about chlamydia treatment failure?</b> Associate Professor Jane Hocking, University of Melbourne, VIC, Australia
10.50am–11.10am	<b>Improving partner notification through the use of newer communication technologies</b> Associate Professor Marcus Chen, Specialist, Melbourne Sexual Health Centre, Melbourne, VIC, Australia	10.50am–11.10am	<b>Azithromycin treatment in Chlamydia infection – lessons from mouse models</b> Professor Kenneth Beagley, Professor of Immunology and Deputy Director, Queensland University of Technology, QLD, Australia
		<b>10.35am–11.20am</b>	<b>India: Sexualities and STI/HIV-a kaleidoscope of colours</b>

## TUESDAY 16 OCTOBER

11.10am–11.30am	<p><b>Partner Notification in Asia-Pacific - Results from an Informal Survey</b> Dr Yik Weng Yew, Registrar, National Skin Centre Singapore, Singapore</p>	11.10am–11.30am	<p><b>Chlamydia serology – what can it tell us about chronic chlamydia infection/upper genital infection?</b> Dr Kelly Cunningham, Post-doctoral Research-associate, Institute of Health and Biomedical Innovation, Queensland University of Technology, Brisbane, QLD, Australia</p>	10.35am–10.45am  10.45am–10.55am  10.55am–11.05am  11.05am–11.20am	<p><b>STI and HIV in India; Current scenario</b> Associate Professor Somesh Gupta, Department of Dermatology and Venereology, All India Institute of Medical Sciences, New Delhi, India</p> <p><b>Risk Factors for STI and HIV in India</b> Additional Professor Sunil Sethi, STD and TB division; Vice Chair, IUSTI Asia Pacific, South Asia Subregion Department of Medical Microbiology, PGIMER, Chandigarh, India</p> <p><b>India’s response to HIV and STI epidemic; A success story</b> Professor Kaushal Verma, Department of Dermatology and Venereology, All India Institute of Medical Sciences, New Delhi, India</p> <p>Discussion</p>
11.30am–11.50am	<p><b>Future research for improving partner notification in high-, middle- and low-resource countries</b> Dr Marc Steben, Medical Advisor, STI unit, Québec National Public Health Institute, Montréal, Qc, Canada</p>	11.30am–11.50am	<p><b>Chlamydia vaccines – what can we hope for?</b> Professor Kenneth Beagley, Professor of Immunology and Deputy Director, Queensland University of Technology, QLD, Australia</p>	<b>11.20am–12.00pm</b>	<p><b>Papua New Guinea: STI/HIV: Facts, Figures, and Plans from a Pacific neighbour</b></p>
11.50am–12.00pm	Discussion	11.50am–12.00pm	Discussion	11.20am–11.30am  11.30am–11.40am  11.40am–11.50am  11.50am–12.00pm	<p><b>The Papua New Guinea HIV epidemic</b> Dr John Millan, President, Papua New Guinea Sexual Health Society, Papua New Guinea</p> <p><b>Challenges in using point of care syphilis rapid tests in a yaws endemic area</b> Dr Gregory J. Law, Adviser, Sexual Health, STIs &amp; HIV Disease Control Branch, National Department of Health, Papua New Guinea</p> <p><b>Human papillomavirus and cervical cancer in Papua New Guinea</b> Dr Andrew Vallely, Associate Professor, Public Health Interventions Research Group, The Kirby Institute, University of New South Wales, Sydney, Australia and Deputy Director (Science), and Head, Sexual &amp; Reproductive Health Unit (SRHU) Papua New Guinea Institute of Medical Research (PNG IMR), Goroka, Papua New Guinea</p> <p>Discussion</p>

## TUESDAY 16 OCTOBER

12.00pm–1.00pm	<b>Lunch in Exhibition and Poster Area</b> Exhibition Hall, Bays 13 - 14		
12.00pm–1.30pm	<b>Chapter Committee Meeting</b> Hospitality Suites, Exhibition Hall Bays 13-14, Room 4.201 - 4.203		
12.15pm–1.15pm	<b>Satellite Session: Sekisui Diagnostics: Benefits of Point of care STI tests; the <i>Trichomonas</i> example</b> <b>Room: 219 and 220</b> <b>Chair: David Whiley</b>	12.15pm - 1.15pm	<b>Crossing the great divide – urban to remote: The sexual health of Australia’s first peoples</b> <b>Room: 212</b> <b>Chairs: James Ward and Mark Saunders</b>
12.15pm–1.15pm	<b>Benefits of Point of care STI tests; the <i>Trichomonas</i> example</b> Associate Professor Jill S Huppert, MD, MPH, Associate Professor of Gynecology and Pediatrics, Cincinnati Children’s Hospital Medical Center, Cincinnati, Ohio, USA	12.15pm–12.25pm	<b>Chlamydia testing and follow up in young people attending urban and regional Aboriginal Community Controlled Health Services</b> Sid Williams and Mary Ellen Harrod
		12.25pm–12.35pm	<b>Opportunities for chlamydia testing in four regional Aboriginal community controlled health services in New South Wales</b> Simon Graham
		12.35pm–12.45pm	<b>High levels of re-testing after chlamydia and gonorrhoea infection in remote aboriginal communities 2009 - 2011: Findings from the STRIVE trial</b> Linda Garton
		12.45pm–12.55pm	<b>High rates of chlamydia positivity in Aboriginal and Torres Strait Islander people attending Australasian sexual health services: The Australian collaboration for chlamydia enhanced sentinel surveillance (ACCESS)</b> Catherine O’Connor
		12.55pm–1.05pm	<b>Understanding sexual health risk: Serial population surveys of knowledge, attitudes and practices among young people in remote North Queensland (NQ) communities</b> Patricia Fagan
		1.05pm–1.15pm	Discussion
1.30pm–3.00pm	<b>Proffered Paper Session: HIV, HPV related neoplasia</b> <b>Room: Plenary 3</b> <b>Chairs: Adrian Mindel and Tim Read</b>	1.30pm–3.00pm	<b>Proffered Paper Session: At risk populations from around the world</b> <b>Room: 219 and 220</b> <b>Chairs: Xiang-sheng Chen and Anne Robertson</b>
1.30pm–1.45pm	<b>Before and after comparison of Human Papillomavirus (HPV) genotypes in Cervical Intraepithelial Neoplasia grade 3 (CIN3) lesions following the introduction of the national HPV vaccination program in Victoria, Australia</b> Emma Callegari (Australia)	1.30pm–1.45pm	<b>Factors affecting time trends in the prevalence of gonococcal and chlamydial infection among female sex workers (FSWS) in 24 districts of South India - a multilevel modeling analysis</b> Pradeep Banandur (India)
1.30pm–1.42pm		1.30pm–1.42pm	<b>Home based chlamydia screening: a systematic review of strategies and outcomes</b> Muhammad Jamil (Australia)
		1.30pm–3.00pm	<b>Proffered Paper Session: Chlamydia, acceptable, automated, and at home</b> <b>Room: 212</b> <b>Chairs: Chavalit Mangkalaviraj and Marian Pitts</b>

<b>TUESDAY 16 OCTOBER</b>					
1.45pm–2.00pm	<b>Psychological morbidity associated with anal cancer screening in homosexual men</b> Richard Hillman (Australia)	1.45pm–2.00pm	<b>The effect of comprehensive sexual education program on sexual health knowledge and sexual attitude among college students in Southwest China</b> Xinli Chi (China)	1.42pm–1.54pm	<b>Chlamydia infection and the risk of adverse obstetric outcomes</b> Bette Liu (Australia)
2.00pm–2.15pm	<b>Population based cohort study in a high HIV burden district of India shows higher rural incidence</b> G Anil Kumar (India)	2.00pm–2.15pm	<b>Does having a peer confidant influence young people in rural South Africa’s HIV related knowledge, perceptions and reported sexual behaviour? ‘well, my friend says’</b> Graeme Hoddinott (South Africa)	1.54pm–2.06pm	<b>Are Australian General Practitioners and Practice Nurses Equipped for Increased Chlamydia Testing? Findings from ACCEPt</b> Rebecca Lorch (Australia)
2.15pm–2.30pm	<b>HIV and STIs among female sex workers in 12 Regions of Thailand, 2010</b> Niramom Punsuwan (Thailand)	2.15pm–2.30pm	<b>Medical male circumcision: prevalence, knowledge and intentions in young Zulu men in rural Kwazulu Natal, South Africa</b> John Imrie (South Africa)	2.06pm–2.18pm	<b>Rapid determination of lymphogranuloma venereum serovars of chlamydia trachomatis by quantitative high resolution melt analysis (HRMA)</b> Jimmy Twin (Australia)
2.30pm–2.45pm	<b>Progression and spontaneous regression of high grade anal intraepithelial neoplasia in HIV infected and uninfected men</b> Winnie Tong (Australia)	2.30pm–2.45pm	<b>Geographic and temporal heterogeneity in HIV emergence and client solicitation among female sex workers in Pakistan</b> Laura H Thompson (Canada)	2.18pm–2.30pm	<b>Is this acceptable? High chlamydia prevalence among young men in Australia results from the Australian chlamydia control effectiveness pilot (ACCEPt)</b> Anna Yeung (Australia)
2.45pm–3.00pm	<b>Tenofovir directly suppresses HIV 1 and HSV 2 in coinfecting cervico vaginal tissue ex-vivo</b> Christophe Vanpouille (USA)	2.45pm–3.00pm	<b>Understanding the link between STIs and infertility: perceived risk, perceived control, and knowledge among urban youth</b> Maria Trent (USA)	2.30pm–2.42pm	<b>Automated, computer generated reminders increase detection of gonorrhoea, chlamydia and syphilis in men who have sex with men</b> Huachun Zou (Australia)
				2.42pm–2.54pm	<b>Mycoplasma genitalium: Incidence in men presenting to a public sexual health clinic</b> Tonia Mezzini (Australia)
<b>3.00pm–3.30pm</b>	<b>Afternoon Tea in Exhibition and Poster Area Exhibition Hall</b>				
<b>3.30pm–5.00pm</b>	<b>Symposium Session: IUSTI Asia Pacific Session</b>	<b>3.30pm–5.00pm</b>	<b>Symposium Session: Typing and sequencing methodologies: Public health relevance and advances in the field</b>	<b>3.30pm–5.00pm</b>	<b>Symposium Session: HPV</b>
	<b>Room: Plenary 3 Chairs: Wresti Indriatmi, Brian P Mulhall and Priya Sen</b>		<b>Room: 219 and 220 Chairs: Monica Lahra and David Lewis</b>		<b>Room: 212 Chairs: Basil Donovan and Suzanne Garland</b>
<b>3.30pm–4.20pm</b>	<b>China: STI control in the world’s most populous country</b>	3.30pm–3.50pm	<b>Typing of STI pathogens: What is the public health benefit?</b> Professor Catherine Ison, Director, Sexually Transmitted Bacteria Reference Laboratory (STBRL), Health Protection Agency, London, England	3.30pm–3.50pm	<b>Genital warts in young Australians: Past, present &amp; future</b> Dr Hammad Ali, Dr. Lecturer, PhD Candidate, The Kirby Institute, University of New South Wales, Sydney NSW, Australia

## TUESDAY 16 OCTOBER

3.30pm– 3.40pm	<b>China: Barriers to STI control in the world's most populous country</b> Professor Xiang-Sheng Chen, Professor and Vice-Director, National Center for STD Control, Nanjing, China	3.50pm– 4.10pm	<b>Advances in molecular typing of <i>Neisseria gonorrhoeae</i> and <i>Chlamydia trachomatis</i> isolates</b> Professor Jo-Anne Dillon, Professor and Research Scientist, Department of Biology and Vaccine and Infectious Disease Organization, International Vaccine Center (VIDO-InterVac), University of Saskatchewan, Saskatoon, SK, Canada	3.50pm– 4.10pm	<b>Optimizing Cervical Screening in the Context of HPV Vaccination</b> Associate Professor Marion Saville, Executive Director, Victorian Cytology Service Inc, Melbourne, VIC, Australia
3.40pm– 3.50pm	<b>Barriers to STI clinical services for MSM in South China: A health service investigation</b> Dr Li-Gang Yang, STD Control Department Director, Guangdong Provincial Center for STI & Skin Diseases Control, Guangzhou, China				
3.50pm– 4.05pm	<b>Technical Assistance for STI Control: Time for a re-think?</b> Dr Graham Neilsen, Advisor on Sexual Health and Development, RTI International, Pathumwan, Bangkok, Thailand	4.10pm– 4.30pm	<b>What can we learn about <i>Chlamydia trachomatis</i> from whole genome sequencing: looking at the interrelationships of ocular and genital serovars at the Genome Level</b> Professor Nicholas Thomson, Senior Scientist Pathogen Genomics, The Wellcome Trust Sanger Institute, Wellcome Trust Genome Campus, Cambridge, England	4.10pm– 4.30pm	<b>Oropharyngeal cancer and the role of HPV</b> Associate Professor Jane Hocking, University of Melbourne, VIC, Australia
4.05pm– 4.20pm	<b>Drugs, sex and harm reduction in the Asia Pacific Region</b> Professor Robert Power, Senior Principal Fellow, Burnet Institute, Melbourne, VIC, Australia	4.30pm– 5.00pm	Discussion	4.30pm– 5.00pm	Discussion
<b>4.30pm– 5.30pm</b>	<b>IUSTI Asia Pacific AGM</b> Exhibition Hall Bays 13-14, Hospitality Suites, HS4.201 - HS4.203				
<b>5.00pm– 6.00pm</b>	<b>Chapter Annual Meeting Room 212 Drinks and canapes to be served</b>				
<b>5.30pm– 7.30pm</b>	<b>Satellite Session: World Health Organization (WHO) Antimicrobial resistance in <i>Neisseria gonorrhoeae</i> – mitigating the consequences of untreatable gonorrhoea Room: 219 and 220 Chairs: Manjula Lusti-Narasimhan and Amina Hançali</b>				
6.00pm– 6.15pm	<b>Resistance patterns to third-generation cephalosporins: update of the situation in Europe</b> Magnus Unemo (Sweden)				
6.15pm– 6.30pm	<b>Resistance patterns to third-generation cephalosporins in Africa</b> David Lewis (South Africa)				
6.30pm– 6.45pm	<b>Resistance patterns to third-generation cephalosporins in the Asia-Pacific Region</b> Monica Lahra (Australia)				
6.45pm– 7.00pm	<b>Resistance patterns to third-generation cephalosporins in the Americas</b> Ron Ballard (CDC-USA)				

## TUESDAY 16 OCTOBER

7.00pm– 7.10pm	<b>Breaking the chain of transmission to combat antimicrobial resistance in <i>Neisseria gonorrhoeae</i></b> Francis Ndowa, WHO Consultant
7.10pm– 7.30pm	<b>Panel Discussion: WHO gonococcal antimicrobial susceptibility surveillance programme (GASP)</b> Jo-Anne Dillon (Canada), Magnus Unemo (Sweden), Manju Bala (India), Monica Lahra (Australia)

## WEDNESDAY 17 OCTOBER

<b>7.00am</b>	<b>Registration</b> <b>Melbourne Convention Centre, Foyer Plenary 3</b>		
<b>7.00am–8.30am</b>	<b>Penelope Lowe Trainee Update Breakfast</b> <b>Room: 212</b> <b>Chair: Dr Carole Khaw, Dr Ian Denham, Dr Lewis Marshall and Dr Sunita Azariah</b>	<b>7.00am–8.25am</b>	<b>Satellite Session: MSD: HIV and The Brain</b> <b>Room: 219 and 220</b> <b>Chair: Bruce Brew</b>
7.00am–7.15am	Arrivals and Breakfast	7.00am–7.10am	Arrivals and Breakfast
7.15am–7.20am	<b>Chair Introduction</b> Dr Carole Khaw	7.10am–7.15am	<b>Chair introduction</b> Professor Bruce Brew
7.20am–7.35am	<b>Sex or drugs: What's going to kill you first? A case study of harm minimisation</b> Dr Janet Towns, Forensic Physician, Victorian Institute of Forensic Medicine; Family Planning Australia, VIC, Australia	7.15am–7.25am	<b>Case presentation</b> Dr Nenad Macesic
7.35am–7.50am	<b>Delayed diagnosis of secondary syphilis: Two biopsies and three organs</b> Dr Rohan Bopage, Infectious Diseases and Sexual Health Registrar, Prince of Wales Hospital, Sydney, NSW, Australia	7.25am–7.50am	<b>HIV and the Brain: Clinical features from go to whoa</b> Dr Edwina Wright
7.50am–8.05am	<b>Trichoniasis vaginalis in a prepubescent child with no disclosure of sexual assault – case presentation and literature review</b> Dr Jennifer Hayward, Registrar, Wellington Sexual Health Service, Wellington, New Zealand	7.50am–8.15am	<b>HIV and the Brain: Implications for cure strategies</b> Professor Sharon Lewin
8.05am–8.20am	<b>Anal cancer in HIV positive MSMs: It's time to restart the conversation</b> Dr Jason Ong, PhD Candidate, Prahran Market Clinic, Melbourne Sexual Health Centre, Melbourne, VIC, Australia	8.15am–8.25am	<b>Q&amp;A</b>
8.20am–8.30am	Discussion		

### **Australasian Sexual Health and HIV Nurses Association (ASHHNA) Breakfast Annual General Meeting**

**Room: 214**  
**Chair: Donna Tilley**

### **Nursing in Remote Aboriginal Communities: Successes and challenges coordinating a comprehensive sexual health program**

Ms Annie Tangey, Coordinator Sexual Health Programme, Ngaanyatjarra Health Service

**Make way to conference opening plenary in Plenary 3 using Door 15 and 16 from Level One**

## WEDNESDAY 17 OCTOBER

<b>8.30am–10.10am</b>	<b>HIV/AIDS Conference Opening and Joint Conference Plenary - sponsored by the Department of Health and Ageing Feasibility of HIV Prevention and Cure</b>		
	Room: Plenary 3, Door 4 on Lower Ground Chairs: Damian Purcell and Prasada Rao V.R. Jonnalagadda		
8.30am–8.35am	<b>Welcome to Country</b> Colin Hunter, Wurundjeri Tribe Council		
8.35am–8.40am	<b>Opening address by Government Official</b> Hon David Davis, Minister of Health, Victoria		
8.40am–8.45am	<b>ACTION on HIV!- The Melbourne Declaration</b>		
8.45am–8.50am	<b>The value of being seen and heard</b> Ji Wallace, Silver medalist Olympic Games Sydney 2000		
8.50am–9.10am	<b>An approach to vaccines for highly variable pathogens</b> Professor Dennis Burton, Department of Immunology and Microbiology, The Scripps Research Institute, USA		
9.10am–9.30am	<b>The Global Fund: Presence and impact in the Asia-Pacific</b> Bill Bowtell AO, Executive Director, Pacific Friends of the Global Fund to fight AIDS, Tuberculosis and Malaria, NSW, Australia		
9.30am–9.50am	<b>The new era of HIV treatment as prevention: Will behavior trump biology?</b> Professor Seth C. Kalichman, Professor of Psychology, University of Connecticut, USA		
9.50am–10.10am	<b>Prospects for an HIV cure</b> Dr Steven G. Deeks, MD, Professor of Medicine, University of California, San Francisco, USA		
	<b>Billum Project</b> Damian Purcell		
<b>10.10am–11.00am</b>	<b>Morning Tea in Exhibition and Poster Area</b> Exhibition Hall, Bays 13 - 14		
<b>10.15am–10.45am</b>	<b>The Kirby Institute and NCHSR Surveillance Reports Launch</b> Room 219 and 220		
<b>10.30am–10.45am</b>	<b>Advocacy Corner Discussion - Exhibition Hall</b> Ryan Snaith, Kenya Aid		
<b>11.00am–12.30pm</b>	<b>11.00am–12.30pm</b>	<b>11.00am–12.30pm</b>	<b>11.00am–12.30pm</b>
<b>Joint Symposium Session: Anal Cancer</b>	<b>Joint Symposium Session: HIV in Indonesia</b>	<b>Joint Symposium Session: HIV in Indonesia</b>	<b>HIV/AIDS Conference - Basic Science Session On the path to translation: ACH2 Studies Sponsored by ACH2</b>
<b>Room: Plenary 3 Chairs: Angela Robinson and Christopher Fairley</b>	<b>Room: 219 and 220 Chairs: Yanri Subronto and Stephen McNally</b>	<b>Room: 219 and 220 Chairs: Yanri Subronto and Stephen McNally</b>	<b>Room: 212 Chairs: Anthony Cunningham and Paul Cameron</b>
11.00am–11.20am	11.00am–11.20am	11.00am–11.15am	11.00am–11.15am
<b>Place of screening using cytology and HRA</b> Professor Joel Palefsky, Professor of Medicine, Division of Infectious Diseases, University of California, San Francisco, USA	<b>Children are the future: Desire of parenthood among HIV-positive people in West Java</b> Mr Irwan Hidayana, Center of Gender and Sexuality Studies, University of Indonesia	<b>Development of Nuclear import inhibitors as anti-HIV agents</b> Kylie Wagstaff	<b>Development of Nuclear import inhibitors as anti-HIV agents</b> Kylie Wagstaff

## WEDNESDAY 17 OCTOBER

11.20am– 11.40am	<b>Epidemiology of anal HPV, pre-cancerous lesions, and cancer: Implications for anal cancer screening</b> Professor Andrew Grulich, Head, HIV Epidemiology and Prevention Program, The Kirby Institute, The University of New South Wales, NSW, Australia	11.20am– 11.40am	<b>Men and Place: Preliminary results from the first large scale social network study of Indonesian gay, bisexual and MSM engagement with social and sexual sites</b> Dr Jeffrey Grierson, Senior Research Fellow, Charles La Trobe Fellow (Male to Male Sexual Practice in the Asia/Pacific Region), Australian Research Centre in Sex, Health & Society, La Trobe University, Melbourne, VIC, Australia	11.15am– 11.30am	<b>A mutant Tat protein provides strong protection from HIV-1 infection in human CD4+ T cells</b> David Harrich
11.40am– 12.00pm	<b>Screening HIV positive homosexual men with annual anal examinations for detection of early anal cancer</b> Dr Tim Read, Sexual health physician, Melbourne Sexual Health Centre; Victorian Infectious Diseases Service, Melbourne, VIC, Australia	11.40am– 12.00pm	<b>STI/HIV knowledge, attitudes and behavior: Evidence from the 2010 transition to adulthood survey of Greater Jakarta</b> Dr Iwu Utomo, Australian National University, Canberra, ACT, Australia	11.30am– 11.45am	<b>Reduced effectiveness of the NRTIs D4T and AZT in Astrocytes: Implications for Neurocart</b> Lachlan Gray
12.00pm– 12.20pm	<b>Should we be screening for anal cancer? Issues to consider</b> Associate Professor Jane Hocking, University of Melbourne, VIC, Australia	12.00pm– 12.20pm	<b>Provision of friendly and convenience MSM Clinic in Bali; A ground breakthrough in an effort to expanding access to STI and HIV testing and treatment for MSM community in Bali</b> Dr Yogi Prasetya, Medical Doctor, Bailmedika, Indonesia	11.45am– 12.00pm	<b>Expression of HIV-1 TAT by an internal ribosome entry mechanism reveals a novel pathway for TAT trans-activation from latent provirus</b> Jonathan Jacobson
12.20pm– 12.30pm	Panel Discussion Joel Palefsky, Andrew Grulich, Tim Read, Jane Hocking and Phillip Keen (NAPWA).	12.20pm– 12.30pm	Discussion	12.00pm– 12.15pm	<b>Determining the mechanism by which HIV blocks interferon induction in dendritic cells</b> Andrew Harman
				12.15pm– 12.30pm	<b>Mucosal uptake mechanisms of recombinant HIV-1 fowl poxvirus vaccines and safety following intranasal delivery</b> Shubhanshi Trivedi
<b>12.30pm– 1.30pm</b>	<b>Lunch in Exhibition and Poster Area Exhibition Hall, Bays 13 - 14</b>				
<b>1.00pm– 1.45pm</b>	<b>ASHM AGM Room 212</b>				
<b>1.00pm– 1.45pm</b>	<b>Advocacy Corner Discussion - Exhibition Hall Scarlet Alliance, Australian Sex Workers Association: Mandatory testing, titled, Mandatory Testing: Evidence demonstrates failure</b>				
<b>1.00pm– 1.45pm</b>	<b>Embracing innovative technology to improve the health of Aboriginal and Torres Strait Islander people Room: Plenary 3, Door 4 Lower Ground Chairs: Robert Monaghan and Victor Tawil</b>				
1.00pm– 1.15pm	<b>Developing multimedia resources in collaboration with young Aboriginal people to improve sexual health in remote and urban Australia</b> Mr Michael Borenstein, Centre For Disease Control, Sexual Health and Blood Borne Virus Unit, Darwin, NT, Australia				
1.15pm– 1.30pm	<b>Smart and Deadly! Community ownership, collaboration, and cultural respect for effective Aboriginal sexual health promotion</b> Ms Kylie Stephens, Centre for Excellence in Rural Sexual Health, The University of Melbourne, Melbourne, VIC, Australia and Mr Peter Waples-Crowe, VACCHO, VIC, Australia				

## WEDNESDAY 17 OCTOBER

1.30pm-1.45pm	<b>The NSW Aboriginal Sexual and Reproductive Health Program: Engaging Youth through Innovation</b> Ms Dina Saulo, Aboriginal Health and Medical Research Council, NSW, Australia				
<b>2.00pm-3.30pm</b>	<b>Joint Symposium Session: STI Management in Indigenous Communities</b> <b>Room: Plenary 3</b> <b>Chairs: Nathan Ryder and James Ward</b>	<b>2.00pm-3.30pm</b>	<b>Joint Symposium Session: Financing the HIV Response in the Region</b> <b>Room: 219 and 220</b> <b>Chairs: Edward Reis and Heather Worth</b>	<b>2.00pm-3.30pm</b>	<b>HIV/AIDS Conference - Theme A Symposia: Correlates of protection and a vaccine design</b> <b>Room: 212</b> <b>Chairs: Damian Purcell and Rob Center</b>
2.00pm-2.15pm	<b>An outbreak of infectious syphilis amongst young Aboriginal and Torres Strait Islander people in Far North West Queensland</b> Dr Arun Menon, Townsville Sexual Health Service, Queensland Health, QLD, Australia	2.00pm-2.10pm	<b>HIV in Asia – Transforming the agenda for 2012 and beyond. Report of a joint strategic assessment in ten countries. June 2012</b> Jackie Mundy, AusAID Health Resource Facility (HRF)	2.00pm-2.30pm	<b>Neutralizing targets on HIV</b> Professor Dennis Burton, Department of Immunology and Microbiology, The Scripps Research Institute, USA
2.15pm-2.30pm	<b>Chlamydia trachomatis, neisseria gonorrhoea and trichomonas vaginalis incidence in remote Australian Aboriginal communities: Findings from the STRIVE Trial</b> Ms Bronwyn Silver, Menzies School of Health Research, NT, Australia	2.10pm-3.30pm	<b>Moderated Panel Discussion</b> Prasada Rao V.R. Jonnalagadda, UN Secretary General's Special Envoy for AIDS in the Asia Pacific Region Narciso Fernandes, National HIV/AIDS Program Manager, CDC Department, Ministry of Health, Timor Leste David Fowler, Special Projects Officer, Australasian Society for HIV Medicine, NSW, Australia	2.30pm-3.00pm	<b>Protection from HIV: Potential role of antibody-dependent cellular cytotoxicity (ADCC) antibodies in protective immunity</b> Professor Stephen Kent, Department of Microbiology and Immunology, University of Melbourne, VIC, Australia
2.30pm-2.45pm	<b>Measuring the impact of STI and HIV control strategies: Experiences from remote communities</b> Professor John Kaldor, The Kirby Institute, NSW, Australia			3.00pm-3.30pm	<b>Promising HIV-1 vaccine strategies to enhance mucosal immunity and CD8 T cell avidity</b> Dr Charani Rangasinghe, Fellow and Group Leader, Molecular Mucosal Vaccine Immunology Group, The John Curtin School of Medical Research, Australian National University, ACT, Australia
2.45pm-3.00pm	<b>Point-of-care tests for chlamydia and gonorrhoea infections in remote Aboriginal communities: The Test, Treat AND GO- the "TTANGO" Trial</b> Dr Rebecca Guy, Senior Lecturer, The Kirby Institute, NSW, Australia				
3.00pm-3.15pm	<b>The GOANNA Project: Condom use among young Aboriginal and Torres Strait Islander people</b> Ms Dina Saulo, Aboriginal Health and Medical Research Council, NSW, Australia				
3.15pm-3.30pm	<b>Discussion</b>				
<b>3.30pm-4.00pm</b>	<b>Afternoon Tea in Exhibition and Poster Area</b> <b>Exhibition Hall, Bays 13 - 14</b>				
<b>4.00pm-5.30pm</b>	<b>13th IUSTI World Congress and 2012 Australasian Sexual Health Conference Closing and Joint Conference Session</b> <b>Where to from Here?</b> <b>Room: Plenary 3</b> <b>Chairs: Richard Hillman and David Lewis</b>				
4.00pm-4.30pm	<b>Indigenizing HIV</b> Ms Marama Pala, Executive Director of INA (Māori, Indigenous & South Pacific) HIV/AIDS Foundation, New Zealand				

## WEDNESDAY 17 OCTOBER

4.30pm– 5.10pm	<b>Is an AIDS-Free Generation Feasible: Science vs. Reality</b> Professor Thomas Quinn, Professor of Medicine and Director, Center for Global Health, Johns Hopkins University Associate Director of International Research, and Head of the Section on International HIV/STD Research, NIAID, NIH, USA
5.10pm– 5.20pm	<b>Prize Presentations and Closing Remarks</b> Professor Richard Hillman, President, Australasian Chapter of Sexual Health Medicine, Sydney, NSW, Australia
5.20pm– 5.25pm	<b>Closing Remarks by IUSTI President</b> Dr Raj Patel, President- IUSTI, Genito Urinary Medicine, The Royal South Hants Hospital, England
5.25pm– 5.30pm	<b>Presentation of next years' conference</b> Dr Nathan Ryder, 2013 Australasian Sexual Health Conference Committee Local Representative
<b>5.30pm– 6.30pm</b>	<b>HIV/AIDS Conference Welcome Reception and Poster Viewing Evening Exhibition Hall, Bays 13 - 14 Drinks and canapes will be served</b>
<b>7.00pm– 11.30pm</b>	<b>IUSTI and Sexual Health Conference Gala Dinner - Peninsula Docklands</b>

## THURSDAY 18 OCTOBER

<b>7.00am</b>	<b>Registration, Foyer Plenary 3</b>
<b>7.00am– 8.25am</b>	<b>Satellite Session - Gilead</b> <b>Examining the unique doctor patient relationship in HIV medicine</b> Room: 219 and 220 Chair: Darren Russell
7.00am– 7.15am	<b>Breakfast served</b>
7.15am– 7.20am	<b>Welcome and Introduction</b> Professor Darren Russell
7.20am– 7.35am	<b>Summary of Tracking Changes research</b> Dr Jeffrey Grierson
7.35am– 7.50am	<b>What's working and what needs to change? A physicians perspective</b> Dr Edwina Wright
7.50am– 8.05am	<b>What's working and what needs to change? A community perspective</b> Mr Simon O'Connor
8.05am– 8.25am	<b>What's working and what needs to change? Panel and Audience discussion</b>
<b>8.30am– 10.05am</b>	<b>HIV/AIDS Conference Plenary</b> <b>Factors in Viral Control</b> Room: Plenary 3, Door 4 Lower Ground Chairs: Joe Sasadeusz and Paul Cameron
8.30am– 9.00am	<b>Towards a cure for AIDS: A monkey-based perspective</b> Dr Guido Silvestri, Professor of Pathology, Emory University and Chief, Division of Microbiology & Immunology, Yerkes National Primate Research Center, USA
9.00am– 9.30am	<b>Where are we in HIV reduction among gay, bisexual, and other men who have sex with men?</b> Professor D. Barry Adam, University Professor, Department of Sociology, Anthropology and Criminology, University of Windsor; and Senior Scientist and Director of Prevention Research, Ontario HIV Treatment Network, Canada
9.30am– 10.00am	<b>HIV and HCV Coinfection: Breaking down the barriers</b> Dr Gail Matthews, Clinical Academic, HIV/Infectious Diseases, St Vincent's Hospital; Senior Lecturer, Viral Hepatitis Clinical Research Program, Kirby Institute, NSW, Australia
10.00am– 10.05am	<b>Announcement of the JRS Award recipients for the HIV Conference</b> Dr Edwina Wright, President, Australasian Society for HIV Medicine
<b>10.00am– 10.30am</b>	<b>Morning Tea in Exhibition and Poster Area</b> <b>Exhibition Hall, Bays 13- 14</b>

# THURSDAY 18 OCTOBER

10.30am-12.30pm	ARV Guidelines Session: Early antiretroviral treatment	10.30am-12.30pm	Theme D Proffered Paper Session: Positive Living Diversity	10.30am-12.30pm	Theme C Proffered Paper Session - Sponsored by AusAID: HIV in the Asia/Pacific Region	10.30am-12.30pm	Theme A Proffered Paper Session: Pathogenesis: Go to Woe	10.30am-12.30pm	Aboriginal and Torres Strait Islander Symposium
	Room: Plenary 3 Chairs: Jenny Hoy and Jeffrey Post		Room: 219 Chairs: Asha Persson and Gary Dowsett		Room: 220 Chairs: Agnes Gege and Stephen McNally		Room: 216 Chairs: Gilda Tachedjian and Bruce Brew		Room: 212 Chairs: John Kaldor and Robert Monaghan
10.30am-11.10am	<b>HIV therapy: When to start</b> Dr Steven G. Deeks, MD, Professor of Medicine, University of California, San Francisco	10.30am-10.50am	<b>Understanding motivations of health and lifestyle choices in PLHIV: Qualitative data from the Healthmap project (#940)</b> Karalyn McDonald	10.30am-10.45am	<b>Community leader's attitudes toward male circumcision for HIV prevention in Papua New Guinea (#106)</b> Lester Asugeni	10.30am-10.50am	<b>T-cell immune responses and viral fitness as a pathway to HIV-1 vaccine development</b> Thumbi Ndung'u, BVM, PhD Director, HIV Pathogenesis Programme; Associate Professor, HIV/AIDS Research DST/NRF; Chair in Systems Biology of HIV/AIDS, Howard Hughes Medical Institute; Early Career Scientist, Nelson R Mandela School of Medicine, University of KwaZulu-Natal, South Africa	10.30am-10.50am	<b>Trends in newly diagnosed HIV Infection in the Aboriginal and Torres Strait Islander and Non-Indigenous populations, 1992 - 2010</b> James Ward, Head of Preventative Health, Baker IDI, Alice Springs, NT, Australia
		10.50am-11.10am	<b>Using a participatory methodology to explore experiences of HIV treatments among PLHIV in the Pacific Islands (#884)</b> Rebecca Kubunavanua	10.45am-11.00am	<b>"Sympathy for my people": Socio-cultural and individual determinants for motivation of sexual health workers in Papua New Guinea and their implications for male circumcision as an HIV prevention strategy in Papua New Guinea (#575)</b> Anna Tynan			10.50am-11.10am	<b>Sexual Practices, drug use and HIV prevalence among indigenous and non-indigenous Australian gay and bisexual men</b> Martin Holt, Senior Research Fellow, The University of New South Wales, NSW, Australia
				11.00am-11.15am	<b>Concurrency of sexual partners and condom use of highway truck drivers in Papua New Guinea (#974)</b> Holly Buchanan and Angelyn Amos			10.50am-11.05am	<b>Impairment of the early IgG2 antibody response to pneumococcal polysaccharides in HIV patients is associated with B-cell activation (#895)</b> Martyn French

## THURSDAY 18 OCTOBER

11.10am–11.50am	<b>Early antiretroviral therapy: Modelling the potential impact on the Australian epidemic</b> Associate Professor David Wilson, Head of Surveillance and Evaluation Program, Kirby Institute, University of New South Wales, Sydney, NSW, Australia	11.10am–11.30am	<b>Political determinants of ART and PMTCT coverage (#686)</b> Heather Worth	11.15am–11.30am	<b>Predictors of unprotected anal intercourse with casual partners amongst men who have sex with men &amp; transgender in Fiji (#984)</b> Patrick Rawstorne	11.05am–11.20am	<b>HIV RNA dynamics in plasma and cerebrospinal fluid in HIV patients from Durban South Africa who develop cryptococcosis-associated immune reconstitution inflammatory syndrome (C-IRIS) after initiation of combination anti-retroviral therapy (cART) (#943)</b> Richard Kangethe		
		11.30am–11.50am	<b>Infant feeding practice for HIV positive mothers (#661)</b> Voletta Fiya	11.30am–11.45am	<b>The perceptions of condom and its uses amongst two highlands communities (#277)</b> Richard Nake Trumb	11.20am–11.35am	<b>Critical role for monocytes in mediating HIV-specific antibody-dependent cellular cytotoxicity (#1034)</b> Stephen Kent	11.30am–11.50am	<b>It's all about relationships - Forming a partnership in chronic disease management no matter what it takes</b> Marisa Giles, Midwest Public Health Physician, Northern and Remote Country Health Service, WA, Australia
11.50am–12.30pm	<b>Case Presentations</b> Dr Jeffrey Post Senior Specialist, Department of Infectious Diseases, Director of Physician Education, Prince of Wales Hospital; Visiting Specialist, Albion Street Centre; Conjoint Senior Lecturer, UNSW; NSW, Australia  Panel Discussions: Dr Steve Deeks, Dr Alan Street, Professor Jenny Hoy and Bill Whittaker	11.50am–12.10pm	<b>Living Positively: Lived experiences and intrapersonal issues of persons living with HIV/AIDS (PLWHA) in Delhi, India (#812)</b> Sangeeta Sharma Dhaor	11.45am–12.00pm	<b>Non-venue-based female sex workers in Chiang Mai, Thailand, reached through routine HIV surveillance for the first time, are a highly vulnerable hard-to-reach population at urgent need for targeted HIV interventions (#240)</b> Suvimon Tanpradech	11.35am–11.50am	<b>Primary HIV-1 infection (PHI) is associated with reduced CD4 counts in terminal ileum biopsies but not other gut biopsy sites (#734)</b> John Zaunders		
						11.50am–12.05pm	<b>The influence of HIV-1 infection on the miRNA profiles of monocytes (#988)</b> Daniel Murray	11.50am–12.05pm	<b>An escalating HIV epidemic in Aboriginal and Torres Strait Islander people is unlikely, but vigilance is required (#459)</b> Richard Gray, The Kirby Institute, Sydney, NSW, Australia
		12.10pm–12.30pm	<b>Discussion</b>	12.00pm–12.15pm	<b>Prevalence of HIV/STIs and associated factors among Men Who Have Sex With Men in An Giang, Vietnam (#1008)</b> Duy Quang Pham	12.05pm–12.12pm	<b>Comparable antiviral capacity but favorable exhaustion profile of CD8s from elite controllers compared to untreated progressors (#975)</b> David Shasha	12.05pm–12.30pm	<b>Discussion</b>

## THURSDAY 18 OCTOBER

				12.15pm-12.30pm	<b>Discussion</b>	12.13pm-12.20pm	<b>HIV prematurely induces age-related changes to monocytes in young HIV+men (#846)</b> Anna Hearps		
						12.21pm-12.28pm	<b>High glycolytic metabolism in CD4+ T cells is associated with enhanced susceptibility to HIV-1 infection and apoptosis (#859)</b> Clovis Palmer		
<b>12.30pm-2.00pm</b>	<b>Lunch in Exhibition and Poster Area</b> <b>Exhibition Hall, Bays 13 - 14</b>								
<b>1.00pm-1.45pm</b>	<b>Masterclass - HIV Molecular Virology</b> <b>Room 212</b> Presenters: Lachlan Gray and Michael Roche, Burnet Institute, VIC, Australia								
<b>1.00pm-1.45pm</b>	<b>Masterclass - Early Career Forum</b> <b>Room 216</b> Facilitator: Paul Cameron Presenters: Guido Silvestri, Yerkes National Primate Research Center, USA; Dennis Burton, The Scripps Research Institute, USA and Miranda Xhilaga, Prostate Cancer Foundation, VIC, Australia								
<b>1.00pm-1.45pm</b>	<b>Masterclass - Clinical Research Workshop for Regional Practitioners: How to submit a successful abstract to the Melbourne 2014 World AIDS Conference</b> <b>Room 220</b> Panellists: Edwina Wright, Edward Reis, Christina Chang, Julian Elliott, John Milan and Kathy Petumenos								
<b>1.00pm-1.45pm</b>	<b>Masterclass - HIV Community and Researchers Workshop: Getting it Together</b> <b>Room 219</b> Facilitator: Tim Moore, Nossal Institute, Melbourne University, VIC, Australia Presenters: Marama Pala, Executive Director, INA Foundation New Zealand; Martha Morrow, Nossal Institute, Melbourne University, VIC, Australia; Ele Morrison, AIVL, Canberra, ACT, Australia; Lee FitzRoy, RhED, Melbourne, VIC, Australia; and Stephen McNally, ARCSHS, La Trobe University, Melbourne, VIC, Australia								
<b>1.00pm-1.45pm</b>	<b>Advocacy Corner Discussion - Exhibition Hall</b> Community participants will take part in a discussion amongst conference attendees from the region, including Indonesia, Working with MSM and HIV								

## THURSDAY 18 OCTOBER

2.00pm–3.30pm	<b>Theme A Symposium in Honour of Nicholas Deacon: Genetics in HIV Disease and Control</b> <b>Room: Plenary 3</b> <b>Chairs: Guido Silvestri and Paul Cameron</b>	2.00pm–3.30pm	<b>Theme B Proffered Paper Session: Test, Treat and Switch</b> <b>Room: 219</b> <b>Chairs: Jenny Hoy and Mark O'Reilly</b>	2.00pm–3.30pm	<b>Theme C Proffered Paper Session in Honour of Liz Dax: New Approaches to HIV Testing</b> <b>Room: 220</b> <b>Chairs: Colin Batrouney and Darryl O'Donnell</b>	2.00pm–3.30pm	<b>Theme D Proffered Paper Session: Culture, Practice and HIV</b> <b>Room: 216</b> <b>Chairs: Barry Adam and Sarah Huffam</b>	2.00pm–3.30pm	<b>SPONSORED SATELLITE SYMPOSIUM - What can we learn from the HIV GP Workforce Project?</b> <b>Room: 212</b> <b>Chair: Susan Kippax</b>
2.00pm–2.30pm	<b>Understanding immune dysregulation in HIV-1 infection: Lessons from cohort studies and clinical trials</b> Professor Anthony Kelleher, Head, Immunovirology and Pathogenesis Program, The Kirby Institute, UNSW and St Vincent's Centre for Applied Medical Research, NSW, Australia	2.00pm–2.15pm	<b>Switch Studies: The need for informed decision making around the risks and benefits</b> Jenny Hoy	2.00pm–2.15pm	<b>Patterns of HIV testing in Australia 2001 - 2010: A systematic review (#465)</b> Melanie Middleton	2.00pm–2.15pm	<b>'Risk' and 'Responsibility' in the narratives of women diagnosed with HIV (#51)</b> Asha Persson	2.00pm–2.15pm	<b>Why do GP workforce issues matter to the future of HIV in Australia?</b> Professor Michael Kidd AM
		2.15pm–2.30pm	<b>Switch from Tenofovir to Raltegravir improves low bone mineral density and markers of bone turnover over 48 weeks (#349)</b> Winnie Tong	2.15pm–2.30pm	<b>Midwifery perceptions of antenatal HIV testing and barriers to universal testing (#500)</b> Phillip Read	2.15pm–2.30pm	<b>Cultural beliefs, sex and pollution during pregnancy and breastfeeding: Implications for the prevention of HIV during these times (#616)</b> Priscilla Selon Ofi	2.15pm–2.35pm	<b>At the coalface and the cutting edge: Pathways into and rewards of providing HIV care in general practice</b> Dr Christy Newman
2.30pm–3.00pm	<b>Interleukin-7: Physiology, pathology and therapy in HIV infection</b> Dr Marc Pellegrini, Laboratory Head, Infection and Immunity Division, Walter & Eliza Hall Institute, VIC, Australia	2.30pm–2.45pm	<b>Operational performance of the determine HIV combo rapid test when used to test gay and bisexual men for HIV in Sydney sexual health clinics (#882)</b> Damian Conway	2.30pm–2.45pm	<b>New xpress HIV/STI screening clinic improves patient journey and clinic capacity at a large sexual health clinic (#715)</b> Vickie Knight	2.30pm–2.45pm	<b>What role can a Pacific television soap opera play in the HIV response? Challenging silences towards those most vulnerable (#89)</b> Robyn Drysdale	2.35pm–2.55pm	<b>No mainstream illness: How doctors working in general practice make sense of HIV and affected communities</b> Dr Asha Persson
		2.45pm–3.00pm	<b>Ethnic/racial and gender differences in bone, body composition and renal function in HIV-infected people from middle-income countries (#599)</b> Hila Haskelberg	2.45pm–3.00pm	<b>Which gay men would use home HIV testing? (#593)</b> Ben Bavinton	2.45pm–3.00pm	<b>Experiences of treatment among PLHIV in the Pacific Islands: A qualitative participatory study (#883)</b> Luke Nayasa	2.55pm–3.15pm	<b>Engaging general practitioners with HIV medicine in an era of treatment v's prevention</b> Professor John De Wit

## THURSDAY 18 OCTOBER

3.00pm–3.30pm	<b>Genetic studies illuminate the complex role of TNF in sensory neuropathy in HIV patients</b> Professor Patricia Price, School of Pathology and Laboratory Medicine, University of Western Australia, WA, Australia	3.00pm–3.15pm	<b>Skeletal muscle toxicity associated with Raltegravir-based combination anti-retroviral therapy in HIV-infected adults (#292)</b> Frederick Lee and Andrew Carr	3.00pm–3.15pm	<b>Rapid HIV testing is acceptable and preferred among gay men attending sexual health clinics: Findings from the Sydney rapid HIV test study (#856)</b> Damian Conway	3.00pm–3.15pm	<b>Sexual Practices of Men with Refugee Backgrounds from the Horn of Africa in the Context of HIV/AIDS (#309)</b> Samuel Muchoki	3.15pm–3.30pm	<b>Discussion and feedback: Where to from here?</b>
		3.15pm–3.30pm	<b>Serological response, failure and seroreversion after treatment for infectious syphilis in people with HIV infection (#580)</b> Jeffrey Post	3.15pm–3.30pm	<b>Discussion</b>	3.15pm–3.30pm	<b>Discussion</b>		
3.30pm–4.00pm	<b>Afternoon Tea in Exhibition and Poster Area Exhibition Hall Bays 13 - 14</b>			3.30pm–3.45pm	<b>HIV Seroconversion Study Report 2012 Launch, Kirby Institute and ARCSHS</b> Room 220 Darryl O'Donnell, NSW Health				
4.00pm–5.30pm	<b>Theme D Symposium: Role of Culture</b> <b>Room: Plenary 3</b> <b>Chairs: Prasada Rao and Edward Reis</b>	4.00pm–5.30pm	<b>Theme B Symposium: Living (even further) on the Edge</b> <b>Room: 219</b> <b>Chairs: Olga Vujovic and Eugene Athan</b>	4.00pm–5.30pm	<b>Theme C Proffered Paper Session: HIV Epidemiology</b> <b>Room: 220</b> <b>Chairs: Jeff Jin and Mark Stooze</b>	4.00pm–5.30pm	<b>Theme A Proffered Paper Session: Cellular Monkey Business</b> <b>Room: 216</b> <b>Chairs: Charani Rangasinghe and Robert Center</b>	4.00pm–5.30pm	<b>Theme B Proffered Paper Session: Heart and Mind</b> <b>Room: 212</b> <b>Chairs: Lucette Cysique and Janine Trevyllian</b>
4.00pm–4.15pm	<b>Everyday moral reasoning in the governmentality of HIV</b> Professor D. Barry Adam, University Professor, Department of Sociology, Anthropology and Criminology, University of Windsor; and Senior Scientist and Director of Prevention Research, Ontario HIV Treatment Network, Canada	4.00pm–4.15pm	<b>Bridging the abyss</b> Dr Lesley Voss, Paediatric Infectious Disease Consultant Starship children's Hospital Auckland, New Zealand	4.00pm–4.15pm	<b>A corner turned? Drop in HIV diagnoses and low rates of undiagnosed infection among MSM in New Zealand in 2011 (#415)</b> Peter Saxton	4.00pm–4.15pm	<b>Characterisation of Simian Immunodeficiency Virus-infected cells in pigtail macaques (#223)</b> Wendy Winall	4.00pm–4.15pm	<b>Changes in metabolic, inflammatory and coagulation biomarkers after HIV sero-conversion- the Health In Men (HIM) Biomarker sub-study (#832)</b> Amit Achhra

## THURSDAY 18 OCTOBER

4.15pm-4.30pm	<b>The silencing of history and the silencing of sexuality: Challenges in doing oral histories of older gay men in China</b> Associate Professor Heather Worth, University of New South Wales, NSW, Australia	4.15pm-4.30pm	<b>Unpacking the baggage: HIV care in migrants to Australia</b> Dr Chris Lemoh, Refugee Health Service (Dandenong Hospital), Southern Health; Department of Medicine, The University of Melbourne; Centre for Population Health, Burnet Institute, VIC, Australia	4.15pm-4.30pm	<b>Trends in newly diagnosed HIV infection in Australia, 2000 - 2011 (#1036)</b> Ann McDonald	4.15pm-4.30pm	<b>Characterization of SIV Infection of T follicular helper CD4 cells in lymphoid tissues during pathogenic infection of pigtail macaques (#609)</b> Yin Xu	4.15pm-4.30pm	<b>Comparison of cardiovascular risk score algorithms and their association with subclinical atherosclerosis in HIV-positive and negative individuals (#693)</b> Victoria Madigan
4.30pm-4.45pm	<b>Prevention as hyperbole; Culture as concupiscence</b> Professor Gary Dowsett, PhD, FASSA, Professor and Acting Director, Australian Research Centre in Sex, Health & Society, La Trobe University, Melbourne, VIC, Australia	4.30pm-4.45pm	<b>The prevention and management of blood borne virus and sexually transmitted infections in young people</b> Professor Margaret Hellard, Infectious diseases and public health physician, Burnet Institute, VIC, Australia	4.30pm-4.45pm	<b>Heterosexual HIV Transmission Within Australia: The Role of Migrant Populations (#1006)</b> Richard Gray	4.30pm-4.45pm	<b>Re-characterizing Antigen Specific CD4+ T cells using the Ox40/CD25 assay and Single-cell RT-PCR (#588)</b> Chansavath Phetsouphanh	4.30pm-4.45pm	<b>Determinants of arterial stiffness and peripheral atherosclerosis in HIV positive men (#852)</b> Saliya Hewagama
4.45pm-5.00pm	<b>Research in cyberspace: Same, same or different?</b> Dr Jennifer Power, Bouverie Centre, La Trobe University, Melbourne, VIC, Australia	4.45pm-5.00pm	<b>The "psychiatrically ill"</b> Dr Chris Kenedi	4.45pm-5.00pm	<b>Inferring HIV incidence from CD4 at diagnosis: Filling the surveillance gap (#525)</b> James Jansson	4.45pm-5.00pm	<b>Myeloid dendritic cells and HIV latency in resting T-cells (#499)</b> Nitasha Kumar	4.45pm-5.00pm	<b>Effects on post-prandial lipids and arterial stiffness of Ritonavir-boosted Atazanavir versus Ritonavir-boosted Darunavir in HIV-uninfected adults (#293)</b> Frederick Lee and Andrew Carr
5.00pm-5.30pm	<b>Discussion</b>	5.00pm-5.30pm	<b>Discussion</b>	5.00pm-5.30pm	<b>Discussion</b>	5.00pm-5.15pm	<b>HIV-specific antibody dependent cellular cytotoxicity: Are we underestimating its potential? (#630)</b> Ivan Stratov	5.00pm-5.15pm	<b>Dynamics of cognitive change in HIV-infected individuals commencing three different initial antiretroviral regimens; A randomised, controlled study (#357)</b> Rebekah Puls
						5.15pm-5.30pm	<b>CD4+ T cell metabolic profile predicts immunological deterioration during chronic HIV-1 infection (#855)</b> Clovis Palmer	5.15pm-5.30pm	

## THURSDAY 18 OCTOBER

<b>5.30pm–6.30pm</b>	<b>Poster Viewing Exhibition Hall Bays 13 - 14</b>		
	Take this opportunity to view the posters quietly in your leisure		
<b>5.30pm–7.15pm</b>	<b>Satellite Session: Janssen Event Encompassing HIV: Virtual Medical Clinic</b>	<b>5.30pm–7.15pm</b>	<b>Representations of HIV and AIDS in the Arts and the Media in Australia Special session in honour of Dennis Altman and his long contribution to HIV</b>
	Room: 216 Chair: Dick Quan		Room: 212 Chairs: Edwina Wright and Gary Dowsett; Discussant: Dennis Altman
5.30pm–6.00pm	<b>Registration; Drinks and Canapes</b>	5.45pm–5.50pm	<b>Thank you to Dennis Altman and his long contribution to HIV</b> Dr Edwina Wright, ASHM President, VIC, Australia
6.00pm–6.05pm	<b>Welcome from the Chair</b>	5.50pm–5.55pm	<b>Introduction</b> Professor Gary Dowsett, PhD, FASSA, Professor and Acting Director, Australian Research Centre in Sex, Health & Society, La Trobe University, Melbourne, VIC, Australia
6.05pm–7.00pm	<b>Case Study Presentations &amp; Panel Discussion</b> Presenters: Dr Dick Quan, Director, Holdsworth House Medical Practice, NSW, Australia; Dr Sarah Pett, Infectious Disease Consultant, The Kirby Institute, NSW, Australia; Ms Jenny McDonald, Consultant Dietitian, Monash Medical Centre, VIC, Australia; Associate Professor Darren Russell, Cairns Base Hospital, QLD, Australia	5.55pm–6.05pm	Colin Batrouney, Manager, Health Promotion, Program Victorian AIDS Council/Gay Men's Health Centre, VIC, Australia
		6.05pm–6.15pm	Kathy Triffit, Manager, Health Promotion, Positive Life NSW, NSW, Australia
		6.15pm–6.25pm	Dr Dion Kagan, Sessional Lecturer, School of Culture and Communication, University of Melbourne, VIC, Australia
		6.25pm–6.40pm	Professor Dennis Altman AM, Professor of Politics and Director Institute for Human Security, LaTrobe University, VIC, Australia
7.00pm–7.15pm	Close	6.40pm–7.15pm	Discussion
<b>7.30pm–9.30pm</b>	<b>Q&amp;A Event: Political Leadership in HIV</b>		
	Melbourne Convention and Exhibition Centre - Room 219 and 220 Facilitator: Jon Faine, ABC Radio Melbourne		
	Panel: Prasada Rao V.R. Jonnalagadda, UN Secretary General's Special Envoy for AIDS in the Asia Pacific Region Sharon Lewin, Professor, Monash University; The Alfred Hospital; The Burnet Institute, VIC, Australia Dennis Altman AM, Professor of Politics and Director Institute for Human Security, LaTrobe University, VIC, Australia Annmaree O'Keefe AM, Research Fellow, Lowy Institute for International Policy, Sydney, NSW, Australia Colin Batrouney, Manager, Health Promotion, Program Victorian AIDS Council/Gay Men's Health Centre, VIC, Australia Heather Worth, Head, Global Health, University of New South Wales, NSW, Australia		

# FRIDAY 19 OCTOBER

7.00am	<b>Registration, Foyer, Plenary 3</b>								
7.00am–8.20am	<b>Case Presentation Breakfast</b>								
8.20am	Room: 219 and 220 Chairs: Alan Street and David Nolan								
7.00am–7.20am	<b>HIV and Listeria (#742)</b> Victoria Madigan								
7.20am–7.40am	<b>A complex case of disseminated histoplasmosis and immunodeficiency in a man with recent primary HIV infection (#921)</b> Kudzai Kanhutu								
7.40am–8.00am	<b>Successful use of Eltrombopag without splenectomy in refractory HIV-related immune reconstitution thrombocytopenia (#654)</b> Lai-Yang Lee								
8.00am–8.20am	<b>Progressive visual loss in a young man with longstanding HIV infection, lipodystrophy and sensory neuropathy (#1002)</b> Edward Raby								
8.30am–10.00am	<b>HIV/AIDS Conference Plenary</b>								
10.00am	Room: Plenary 3, Door 4 Lower Ground Chairs: Sharon Lewin and Jo Watson								
8.30am–9.00am	<b>The social science of HIV: Sustaining advances in prevention, treatment and social justice</b> Associate Professor Vinh Kim Nguyen, Department of Social and Preventive Medicine, University of Montréal, Canada; Chair of Anthropology and Global Health, College of Global Studies (Paris)								
9.00am–9.30am	<b>Imperatives for HIV cure</b> Professor Françoise Barre-Sinoussi, PhD, Professor, Institut Pasteur & Research Director, INSERM, France Director of Regulation of Retroviral Infections Unit, Institut Pasteur, France								
9.30am–10.00am	<b>Understanding the social contexts of female sex work in China</b> Associate Professor Huang Yingying, Deputy director, Institute of Sexuality and Gender, Sociology department, Renmin University of China, China								
10.00am–10.30am	<b>Morning Tea in Exhibition and Poster Area</b>								
10.30am	<b>Exhibition Hall Bays 13 - 14</b>								
10.30am–12.30pm	<b>Theme C Symposium: Australia's response to HIV: Time for revolution or evolution?</b> Room: Plenary 3 Chairs: Edwina Wright and Peter Aggleton	10.30am–12.30pm	<b>Theme B Proffered Paper Session: The Clinic: Should one size fit all?</b> Room: 219 Chairs: Arun Menon and Darren Russell	10.30am–12.30pm	<b>Theme D Proffered Paper Session: Managing risk in Asia and the Pacific</b> Room: 220 Chairs: Huang YingYing and Heather Worth	10.30am–12.30pm	<b>Theme A Proffered Paper Session: HIV Transmission and Molecular Pathogenesis</b> Room: 212 Chairs: Melissa Churchill and Anthony Kelleher	10.30am–11.50am	<b>Theme B Oral Poster Session: Modern Management of HIV</b> Room: 216 Chairs: Christina Chang and Roger Garsia
10.30am–10.45am	<b>Developments in prevention science and opportunities for action in Australia's response</b> Professor, Andrew Grulich, Head and Professor, The Kirby Institute, NSW, Australia	10.30am–10.45am	<b>Perceptions of unmet needs of people living with HIV in Australia (#978)</b> Julian Elliott	10.30am–10.45am	<b>Condom use during vaginal and anal intercourse amongst female sex workers in Port Moresby, Papua New Guinea (#316)</b> Angela Kelly	10.30am–10.45am	<b>Phenotyping and immunogenicity of HIV-1 Env from MSM transmission strains (#1035)</b> Damian Purcell	10.30am–10.40am	<b>Chair Introduction - Linkage of presentations to overall theme</b> Dr Roger Garsia, Clinical Immunologist and Head Division of Medicine, Royal Prince Alfred Hospital, Sydney, NSW, Australia

## FRIDAY 19 OCTOBER

10.45am-11.00am	<b>HIV in Australia - Revolution! Evolution! Disillusion?</b> Bill Whittaker, NAPWA, NSW, Australia	10.45am-11.00am	<b>Condom use in the general population of Papua New Guinea: Findings from selected sites in Papua New Guinea (#987)</b> Geraldine Maibani-Michie	10.45am-11.00am	<b>Better on-board: HIV prevention needs of women who sell sex to seafarers in Tarawa, Kiribati (#409)</b> Karen McMillan	10.45am-11.00am	<b>Neurotropic HIV-1 variants have alterations in their Env glycoproteins, which alter the way they engage both CD4 and CCR5 (#864)</b> Hamid Salimi	10.40am-10.50am	<b>Investigation of cellular markers linking Abacavir and cardio-vascular events. Gene expression profiles in STEAL participants (#967)</b> Paul Cameron
11.00am-11.15am	<b>Revolution or Evolution? Some reflections on treatment as prevention</b> Colin Batrouney, Manager, Health Promotion, Program Victorian AIDS Council/Gay Men's Health Centre, VIC, Australia	11.00am-11.07am	<b>Determinants of access to antiretroviral therapy and treatment outcomes for people living with HIV in Vietnam (#22)</b> Dam Anh Tran	11.00am-11.15am	<b>Harvat: Sex work involvement and associated occupational risks among selected transgender women in Cebu City, Philippines (#72)</b> Raine N Cortes	11.00am-11.15am	<b>Structural and functional analysis of the SPL7013 dendrimer action against HIV env (#378)</b> Catherine Latham	10.50am-11.00am	<b>An audit of cardio-vascular risk as predicted by HIV specific and non-specific risk equations in HIV infected men (#752)</b> Julia Price
		11.08am-11.15am	<b>Structural barriers to timely initiation of antiretroviral treatment in Vietnam: Findings from six outpatient clinics (#23)</b> Dam Anh Tran					11.00am-11.10am	<b>Complementary medicines use in HIV positive people: A national survey (#672)</b> Alison Duncan and Catherine Forrester
11.15am-11.30am	<b>Delivering the HIV-prevention revolution: Critical behavioral challenges and implications for health promotion</b> Professor John DeWit, National Centre in National HIV Social Research, NSW, Australia	11.15am-11.30am	<b>Uptake of antiretroviral treatment in Australia: S100 prescribers' perspective (#403)</b> Limin Mao	11.15am-11.30am	<b>Sex worker advocacy for inclusion in ethical social and behavioural research: "It is our right! Include and enable us to advocate against any activity that transports vulnerability and risk to our community" (#754)</b> Leonor Angkis Lay	11.15am-11.30am	<b>Elucidating unique molecular mechanisms involved in HIV subtype C pathogenicity (#749)</b> Jacqueline Flynn	11.10am-11.20am	<b>HIV treatments uptake among people living with HIV in Australia: Health promotion and policy responses to reduce barriers to treatments uptake (#714)</b> Phillip Keen

## FRIDAY 19 OCTOBER

11.30am-11.45am	<b>Facilitating Australia's response to the 2011 UN Political Declaration on HIV/AIDS</b> Ms Megan Morris, First Assistant Secretary, Office of Health Protection, Department of Health and Ageing, ACT, Australia	11.30am-11.45am	<b>Scale-up of Provider-initiated HIV Testing and Counseling for Tuberculosis Patients in Ho Chi Minh City, Vietnam, 2006-2011 (#358)</b> Le Hung Thai	11.30am-11.45am	<b>Alcohol, drugs and HIV: Condom use when drunk or stoned and emerging injecting drug use in Papua New Guinea (#989)</b> Holly Buchanan and Angelyn Amos	11.30am-11.45am	<b>Evaluation of histone deacetylase inhibitors (HDACi) activity using patient-derived HIV long terminal repeat (LTR) sequences in cell lines: A novel method to screen for drugs that reverse latency (#911)</b> Hao Lu	11.20am-11.30am	<b>Including syphilis testing as part of standard HIV management checks in primary care can increase syphilis testing rates among gay men living with HIV in Sydney, Australia (#310)</b> Denton Callander
11.45am-12.30pm	<b>Panel Discussion</b>	11.45am-12.00pm	<b>Viral Load Outcomes after 12 Months Antiretroviral Therapy in Low to Middle Income Countries: A Systematic Review (#462)</b> James McMahon	11.45am-12.00pm	<b>Experiences of violence, coercion, emotional support and familial acceptance among MSM and transgender populations: Towards an effective and focused advocacy response in the prevention of HIV in Timor-Leste (#463)</b> Hayden Jose	11.45am-12.00pm	<b>The use of filopodial networks by HIV (#1043)</b> Stuart Turville	11.30am-11.40am	<b>Proviral DNA testing of HIV tropism in the maraviroc switch collaborative study (March) - Results of the quality assurance/ quality control (QA/QC) programme (#567)</b> Elise Tu
		12.00pm-12.15pm	<b>The significance of HIV 'blips' in diverse settings: Is it always the same? Analysis of the Treat Asia HIV Observational Database (TAHOD) and the Australian HIV Observational Database (AHOD) (#853)</b> Rupa Kanapathipillai	12.00pm-12.30pm	<b>Discussion</b>	12.00pm-12.15pm	<b>Overexpression of PRMT6 does not suppress HIV-1 Tat transactivation in cells naturally lacking PRMT6 (#1047)</b> David Harrich	11.40am-11.50am	<b>Assessing site performance in Encore1 study, a multinational clinical trial (#623)</b> Carlo Dazo
		12.15pm-12.30pm	<b>Ageing and long-term CD4 cell count trends in HIV-positive patients with 5 years or more combination antiretroviral therapy experience (#156)</b> Stephen Wright		12.15pm-12.22pm	<b>Dynamic regulation of IL-4 receptor (IL-4r) following viral infections and modulation of CD8+ T cell avidity (#1033)</b> Danushka Wijesundara			
					12.23pm-12.30pm	<b>GB virus C infection in HIV-positive Patients in Indonesia with and without HCV co-infection (#377)</b> Nungki Anggorowati			

## FRIDAY 19 OCTOBER

12.30pm– 2.00pm	<b>Lunch in Exhibition and Poster Area</b> Exhibition Hall, Bays 13 - 14								
12.45pm– 1.45pm	<b>HIV Shared Care – who cares?</b> Sponsored Satellite Session ASHM NSW Room 219								
12.45pm– 12.52pm	<b>HIV Shared Care – Current challenges and opportunities</b> Dr David Baker, GP HIV and HCV s100 prescriber, East Sydney Doctors, ASHM Clinical advisor, NSW, Australia								
12.52pm– 12.59pm	<b>HIV Shared Care in WA – Diverse positive population</b> Associate Professor David Nolan, Clinical Immunologist, Royal Perth Hospital, WA, Australia								
12.59pm– 1.06pm	<b>HIV Shared Care in VIC</b> Dr Olga Vujovic, ID Physician, Alfred Hospital - Infectious Disease Unit Incorporating the Victorian HIV Service, VIC, Australia								
1.06pm– 1.13pm	<b>NSW – ‘HIV Shared Care Management Plan’ template - a pilot program</b> Dr David Baker								
1.13pm– 1.20pm	<b>National E Health Transition Authority (NEHTA)</b> Dr Trina Gregory, GP HIV and HCV s100 prescriber, CPC Medical Centre, Port Macquarie, NSW, Australia								
1.20pm– 1.27pm	<b>HealthMap, review and progress</b> Dr Julian Elliot, Infectious diseases Physician, Melbourne, VIC, Australia								
1.27pm– 1.45pm	<b>Panel Discussion</b> Dr David Baker, A/Prof David Nolan, Dr Olga Vujovic, Dr Julian Eliot, Dr Trina Gregory, Lance Feeney {Positive Life NSW}								
1.00pm– 1.45pm	<b>Masterclass - Immunology Science Workshop - Room 212</b> Chair: Martyn French. Presenters: John Zaunders - The Antibody Response to HIV infection and Sonia Fernandez - The effector immune response to viral infection								
1.00pm– 1.45pm	<b>Advocacy Corner Discussions - Exhibition Hall</b> James Gray, recently Youth Rapporteur at AIDS 2012 in Washington, will lead a discussion on young gay men, HIV and new responses in Australia								
2.00pm– 3.30pm	<b>Cure Symposium</b> Supported by an unrestricted educational grant from Gilead  <b>Room: Plenary 3</b> <b>Chairs: Sharon Lewin and Françoise Barre-Sinoussi</b>	2.00pm– 3.30pm	<b>Theme B Symposium: Living Long-term with HIV - A critical look at the evidence regarding pathogenesis, clinical features and management</b>  <b>Room: 219</b> <b>Chairs: Edwina Wright and Roger Garsia</b>	2.00pm– 3.30pm	<b>Theme C Proffered Paper Session: Antiretroviral-based Prevention</b>  <b>Room: 220</b> <b>Chairs: Levinia Crooks and Mark Stooove</b>	2.00pm– 3.30pm	<b>Theme D Proffered Paper Session: Men, Sex and Risks</b>  <b>Room: 212</b> <b>Chairs: Narcisco Fernandes and Victor Tawil</b>	2.00pm– 3.30pm	<b>Theme B Oral Poster Session: HIV Information in the Digital Age</b>  <b>Room: 216</b> <b>Chairs: James McMahon and John Milan</b>
2.00pm– 2.20pm	<b>Selecting potential HIV eradication agents for clinical testing</b> Romas Geleziunas, Director of Clinical Virology at Gilead Sciences, USA	2.00pm– 2.15pm	<b>Navigating the evidence in HIV and Ageing</b> Dr Julien Elliot, Infectious Diseases Physician, Melbourne, VIC, Australia	2.00pm– 2.15pm	<b>The emerging use of HIV antiretroviral medications as pre-exposure prophylaxis of HIV (PrEP) among gay men in Australia (#576)</b> Iryna Zablotska- Manos	2.00pm– 2.15pm	<b>What have we learned from PASH 3 years on (#601)</b> Garrett Prestage	2.00pm– 2.10pm	<b>Chair Introduction - Linkage of presentations to overall theme</b> Dr James McMahon, Physician, Alfred Hospital, Melbourne, VIC, Australia

## FRIDAY 19 OCTOBER

2.20pm-2.40pm	<b>Clinical trials for HIV cure: What's being done and what challenges lie ahead</b> Professor Sharon Lewin, The Alfred, Monash University and the Burnet Institute, Melbourne, VIC, Australia	2.15pm-2.30pm	<b>Renal dysfunction after HIV suppression</b> Dr Steve Holt, Monash University, Melbourne, VIC, Australia	2.15pm-2.30pm	<b>Impact of treatment based HIV interventions in NSW (#1007)</b> Richard Gray	2.15pm-2.30pm	<b>'Full Service': Reading male sex work into gay men's health promotion (#656)</b> Cameron Cox	2.10pm-2.20pm	<b>Introducing concepts of HIV risk reduction into the clinical setting: Techniques and challenges (#646)</b> Azizul Haque Mahee
								2.20pm-2.30pm	<b>Medical and nursing students perceived level of knowledge and attitudes concerning HIV in Fiji (#618)</b> <b>Knowledge, attitude and practice towards people living with HIV and key populations by health care workers in Honiara, Solomon islands (#886)</b> Paraniala Lui
2.40pm-3.00pm	<b>Assessing HIV Persistence: A Vital Step for HIV Eradication</b> Dr. Sarah Palmer, Ph.D., Senior Researcher, Swedish Institute for Communicable Disease Control and Karolinska Institutet, Stockholm, Sweden	2.30pm-2.45pm	<b>Cardiovascular disease in long-term HIV management</b> Associate Professor David Nolan, Clinical Immunologist, Royal Perth Hospital, WA, Australia	2.30pm-2.45pm	<b>What factors are associated with planned sex among high-risk gay and bisexual men in Australia? (#546)</b> Dean Murphy	2.30pm-2.45pm	<b>Characteristics of prisoners who had anal sex during incarceration and factors associated with condom use during anal sex in three prisons in Thailand (#239)</b> Monsicha Poolsawat	2.30pm-2.40pm	<b>Challenges for Indonesian PWID who receive harm reduction programs accessing VCT and ART (#334)</b> Ratna Soehoed
		2.45pm-3.00pm	<b>When organs fail: Transplantation and HIV</b> Professor Deborah Marriott, St Vincent's Hospital, Microbiology Department, Sydney, NSW, Australia	2.45pm-3.00pm	<b>What do HIV-Positive and HIV-Negative gay and bisexual men think about pre-exposure prophylaxis and treatment as prevention? (#315)</b> Martin Holt	2.45pm-3.00pm	<b>MSM Sexual Venues and HIV Risk (#976)</b> Rui Zhao	2.40pm-2.50pm	<b>Meeting the demand for access: Provision of HIV results via phone for low risk clients - Evaluation of policy change at a busy metropolitan clinic (#365)</b> Simon Wright
								2.50pm-3.00pm	<b>HIV information for aged Care facilities (#159)</b> Denise Cummins

## FRIDAY 19 OCTOBER

3.00pm-3.15pm	<b>Ethics and issues in cure research - An HIV positive perspective</b> Bill Whittaker, Representative, NAPWA, NSW, Australia	3.00pm-3.15pm	<b>HIV and the aging brain: A tangled web?"</b> Professor Bruce Brew, Head of Department, Department of Neurology, St Vincent's Hospital, Melbourne, VIC, Australia	3.00pm-3.15pm	<b>ARV-based prevention: An ethical analysis (#420)</b> Bridget Haire	3.00pm-3.15pm	<b>Addressing the link between the sexual risk behavior and Amphetamine Type Stimulant (ATS) use among Sex Workers In Laukkai and Phakant, Myanmar (#468)</b> Yin Min Thaug	3.00pm-3.10pm	<b>HIVQUAL PNG Quality HIV service delivery initiative implemented at TININGA Paediatric HIV Clinic, Mt Hagen General Hospital, PNG (#836)</b> Petronia Kaima
								3.10pm-3.20pm	<b>Effects of patient tracing on estimates of lost to follow-up, mortality and retention in Antiretroviral Therapy Programs in Low-Middle Income Countries: A Systematic Review (#458)</b> James McMahan
3.15pm-3.30pm	<b>Discussion</b>	3.15pm-3.30pm	<b>Discussion</b>	3.15pm-3.30pm	<b>Discussion</b>	3.15pm-3.30pm	<b>Discussion</b>	3.20pm-3.30pm	<b>Discussion</b>
<b>3.30pm-3.45pm</b>	<b>Pre-recorded Conference Closing shown in all session rooms</b>								
<b>3.45pm</b>	<b>Conference Close</b>
