1. By signing this form, you (the Speaker) acknowledge that you have read and understood the Intellectual Property Rights Notice ("IPR Notice") as reproduced in its entirety below, (and for purposes of which "Speaker" has the same meaning as "Participant") and confirm that the presentation you are providing for uploading into and downloading from ASMIRT system is strictly in compliance with the terms and conditions set forth in the IPR Notice.
2. In respect of ASMIRT's possible utilisation of your presentation and of the Material (as this term is defined in the Notice) used therein, please tick the appropriate box below:

A I hereby grant the Australian Society of Medical Imaging and Radiation Therapy (ASMIRT), permission to use, encode, digitise, transmit and/or display the visual content of my presentation and Material provided. I also grant ASMIRT, the following non-exclusive rights to my presentation and to the Material: to publish all or portions of the presentation and/or the Material on ASMIRT or Conference Website, and/or through any internet streaming media and/or physical media permitting downloading. These rights are granted on a royalty-free and irrevocable basis, and I waive any and all rights of approval, claims for compensation, and/or any other claim (including, without limitation, claims based on invasion of privacy and defamation) arising out of or in connection with, any use, alteration, or use in any composite form of the presentation and/or Material. This consent and waiver shall be binding upon me and my heirs, legal representatives, and assigns.

OR – please only tick one box

B I hereby do not grant ASMIRT the right to use or publish my presentation or Material as set forth in box A above, and I agree that ASMIRT will not make the presentation and Material available for longer than three weeks following the close of ASMIRT-NZIMRT 2021. I understand that my presentation will be available for the duration of the event via the webcasting system at the conference and for three weeks after the event through the app.
