

Indigenous Resource Hub

WellMob

<http://wellmob.org.au>

A website that brings together online wellbeing resources for frontline health and wellbeing workers to access culturally relevant resources to use with their Aboriginal and Torres Strait Islander clients. Includes videos, apps, podcasts and other websites.

WellMob was developed by eMHPrac in partnership with Australian Indigenous HealthInfoNet and under the guidance of Aboriginal and Torres Strait Islander community health workers.

Resources for Service Providers

HealthInfoNet

'Social and emotional wellbeing' 'Healing' Knowledge and information about Aboriginal and Torres Strait Islander health. healthinfonet.ecu.edu.au

e-learning resources for Aboriginal and Torres Strait Islander mental health professionals. www.ranzcp.org/practice-education/indigenous-mental-health/aboriginal-torres-strait-islander-mental-health

Digital Social, Emotional and Cultural Wellbeing Resources

Online social, emotional and cultural wellbeing resources are programs, tools or applications delivered via online, mobile, or phone-based platforms. Digital resources can be used alone or in combination with face-to-face support.

There are a number of excellent digital tools designed by and for Aboriginal and/or Torres Strait Islander people of all ages who are struggling with maintaining a healthy mind, connecting to country and culture or who are having community or relationship challenges.

DISCLAIMER:

The information provided throughout this guide is intended for information purposes only. Whilst many of the services and resources in this guide are government funded, health practitioners should independently investigate, evaluate and verify the content and credentials of any service or resource before choosing to use it or refer a user to it. The services and resources listed in this guide are not exhaustive and represent primarily Australian products.
