

Creating cultural change
to support gender equality
in the Australian gas and pipeline industry

Margaret Gayen & Carina Nixon

130 respondents

more than 950 stories

Please close your eyes

“death by a thousand cuts”

90.5% of female survey respondents

provided more than one story

of gender bias, discrimination or sexual harassment

Gender inequality does not just affect women

Stop making assumptions

Start making conversations

1. Start Talking

1. Start Talking
2. Start Listening

Let's work together in building an industry
that doesn't just count women
but makes every person feel like they count
