

## **City of Joondalup Urban Bushland and Wetland Tour**

**Time:** 9am-1.30pm, lunch provided

**Meeting Location:** ECU Joondalup

**Price:** Free

**Contact Information:** [Heidi Khojasteh](mailto:Heidi.Khojasteh@ecu.edu.au) or phone 9400 4232

**About:** Learn about how the installation of a predator proof fence in an urban bushland has fostered the persistence of a thriving quenda (native bandicoot) population and how the quenda is contributing to various functions within the ecosystem. Hear about how the Yellagonga Regional Park wetlands were used by traditional owners and learn about traditional Noongar uses of local plants and animals.

**Additional Information:** Refillable water bottles, keep cups and sturdy footwear is recommended.

If the tour is fully booked online please contact [statenrm@eventandconferenceco.com.au](mailto:statenrm@eventandconferenceco.com.au) to be placed on the wait list.

If you register for this field trip but are unable to attend, please contact [statenrm@eventandconferenceco.com.au](mailto:statenrm@eventandconferenceco.com.au) to inform of your cancellation so your spot can be offered to someone on the waitlist.
