New book proposals

Channel View Publications is known for publishing the very best research monographs and textbooks in the field of tourism studies.

One in-house editor oversees each book from proposal through to publication, and our authors appreciate the continuity this gives them. All our book projects are assessed by our in-house editorial team, our academic series editors and external reviewers.

If you would like to discuss a book idea, please contact our commissioning editor Sarah Williams who would be happy to arrange a Zoom call to talk about your idea. You can contact her at sarah@channelviewpublications.com.

You can also find the guidelines for submitting a book proposal on our website.
