

**Tuesday 1 November 2022**

7.30am	Registration Desk opens		
<b>Special Interest Group Meetings</b>			
AM	<p><b>Healthy Lifestyle Symposium: from Community-Based Solutions to Scale</b>  <b>Venue: Courtenay Room</b>                  In a world with ongoing complex “wicked” problems and health reform, how do we get the best health and wellbeing outcomes for tamariki and rangatahi? How do we stop research outcomes and evidence base falling into the “black hole” of research outputs, ensuring they traverse a bridge to policy and implementation? In the absence of a childhood obesity special interest group for the Paediatric Society of NZ, this one-day symposium will tackle these questions, using healthy lifestyle programmes as a case example, how findings speak to wider health systems change, with cross-cultural perspectives from across Australasia.</p>	<p><b>Child Protection SIG</b>  <b>Venue: Hobson Room</b>                  8.30am - 9.00am Karakia timatanga and welcome <i>Russell Wills</i>                  9.00am - 9.45am - <b>Session 1:</b>                  Case, Conflict resolution in child protection – <i>Meera Raithatha</i>                  9.45am - 10.15am - <b>Morning tea</b>                  10.15am - 11.00am - <b>Session 2:</b> Family violence and sexual violence intervention: <i>Clare Doocey, Gladys Chiwome Madondo, Beatrice Brown, Kimberley Eonsa</i>, Canterbury Integrated Safety Response trial                  11.00am -12.00pm - <b>Session 3:</b> Support for caregivers of tamariki with attachment and trauma issues. Open Home Foundation CEO <i>Don Irwin</i> and <i>Sinead Roe</i></p>
