

AUSTRALIAN GRAIN STORAGE & PROTECTION CONFERENCE

MEETING MARKET REQUIREMENTS

BROUGHT TO YOU BY THE NATIONAL WORKING PARTY ON GRAIN PROTECTION (NWPGP)

14 OCTOBER 2020
VIRTUAL EVENT

ABOUT

NWPGP

The NWPGP 2020 Australian Grain Storage and Protection Conference is an open forum for the entire grains industry to review and discuss the latest market requirements relating to chemical regulations and developments in grain storage and protection.

Presenters will cover national and international regulation along with a range of topics including:

- Market requirements
- Insect infestation/entomology
- Pesticide residue requirements/violations
- Grain protectants
- Fumigants
- Physical control methods
- Application technology
- Extension
- Other key research outcomes

The **NWPGP** has been meeting annually for over 40 years, however, the annual conference, delegate list and industry representation continues to expand and evolve – constantly striving to meet industry's needs.

This year NWPGP will meet "virtually" online due to COVID-19 restrictions. Delegates & Sponsors are offered a unique opportunity to participate in this online virtual event and to promote your products and services to a highly targeted and engaged industry audience.

ORGANISING BODIES

The **National Working Party on Grain Protection (NWPGP)** is the body responsible for providing management and leadership to industry in the areas of grain storage, chemical use, market requirements and chemical regulations.

The Conference is proudly supported by **Grain Trade Australia (GTA)**. GTA supplies standardised grain trading standards, trade rules, grain contracts and training and development for the Australian grain industry to enable the efficient facilitation of trade across the grain supply chain.

DELEGATE PROFILE

A wide spectrum of the industry is represented at the conference with over 130 delegates in attendance in 2019. The conference now enjoys significant support from all sectors of the industry from growers, storage operators, end users, traders, research, product and chemical manufacturers and service providers such as fumigators and transport operators. This conference is also widely supported by the government.

The program and topics are being expanded in line with this development and in direct response to survey feedback received from previous conference attendees.

The delegate survey from the 2019 Conference highlighted:

- 72% of delegates have previously attended the conference
- 81% agreed the conference was good value for money
- 97% agreed the program content was relevant and appropriate
- 92% agreed the program met their expectations
- 100% would recommend the conference to industry colleagues
- 100% would attend the conference again in the future
