

# Realising our Potential for Active Transport in Palmerston North

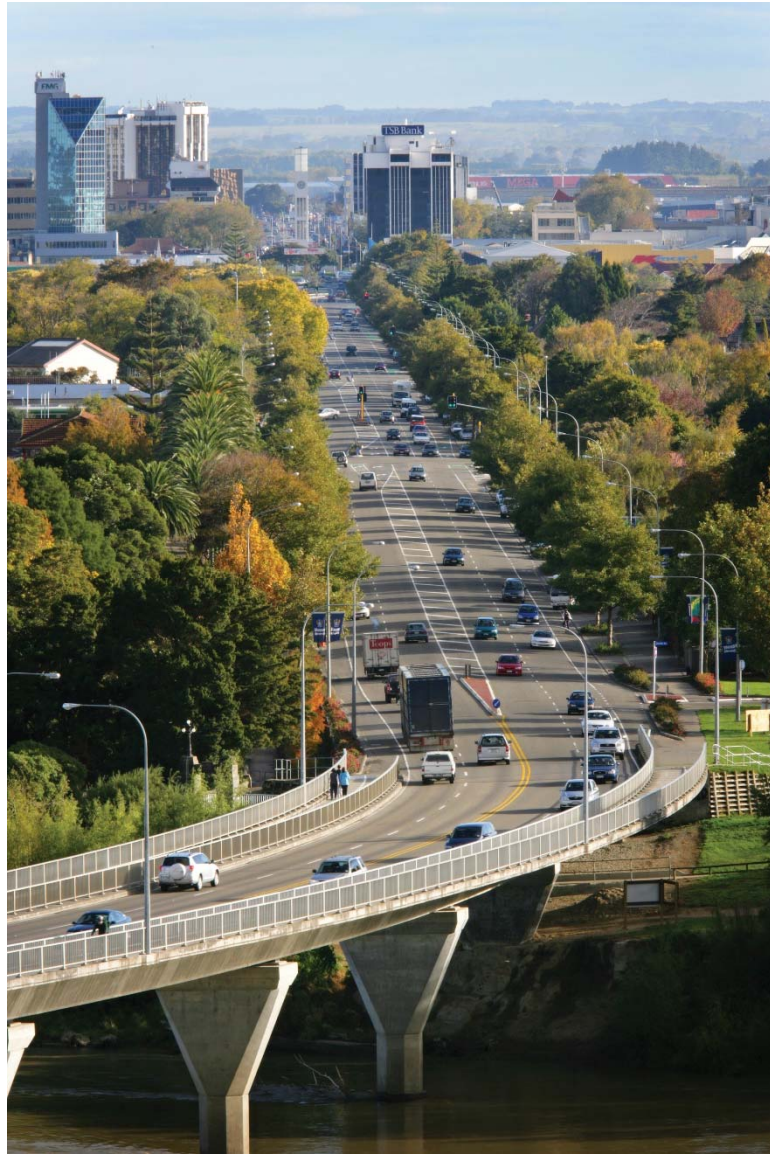

Crs Brent Barrett & Aleisha Rutherford

1 August 2018

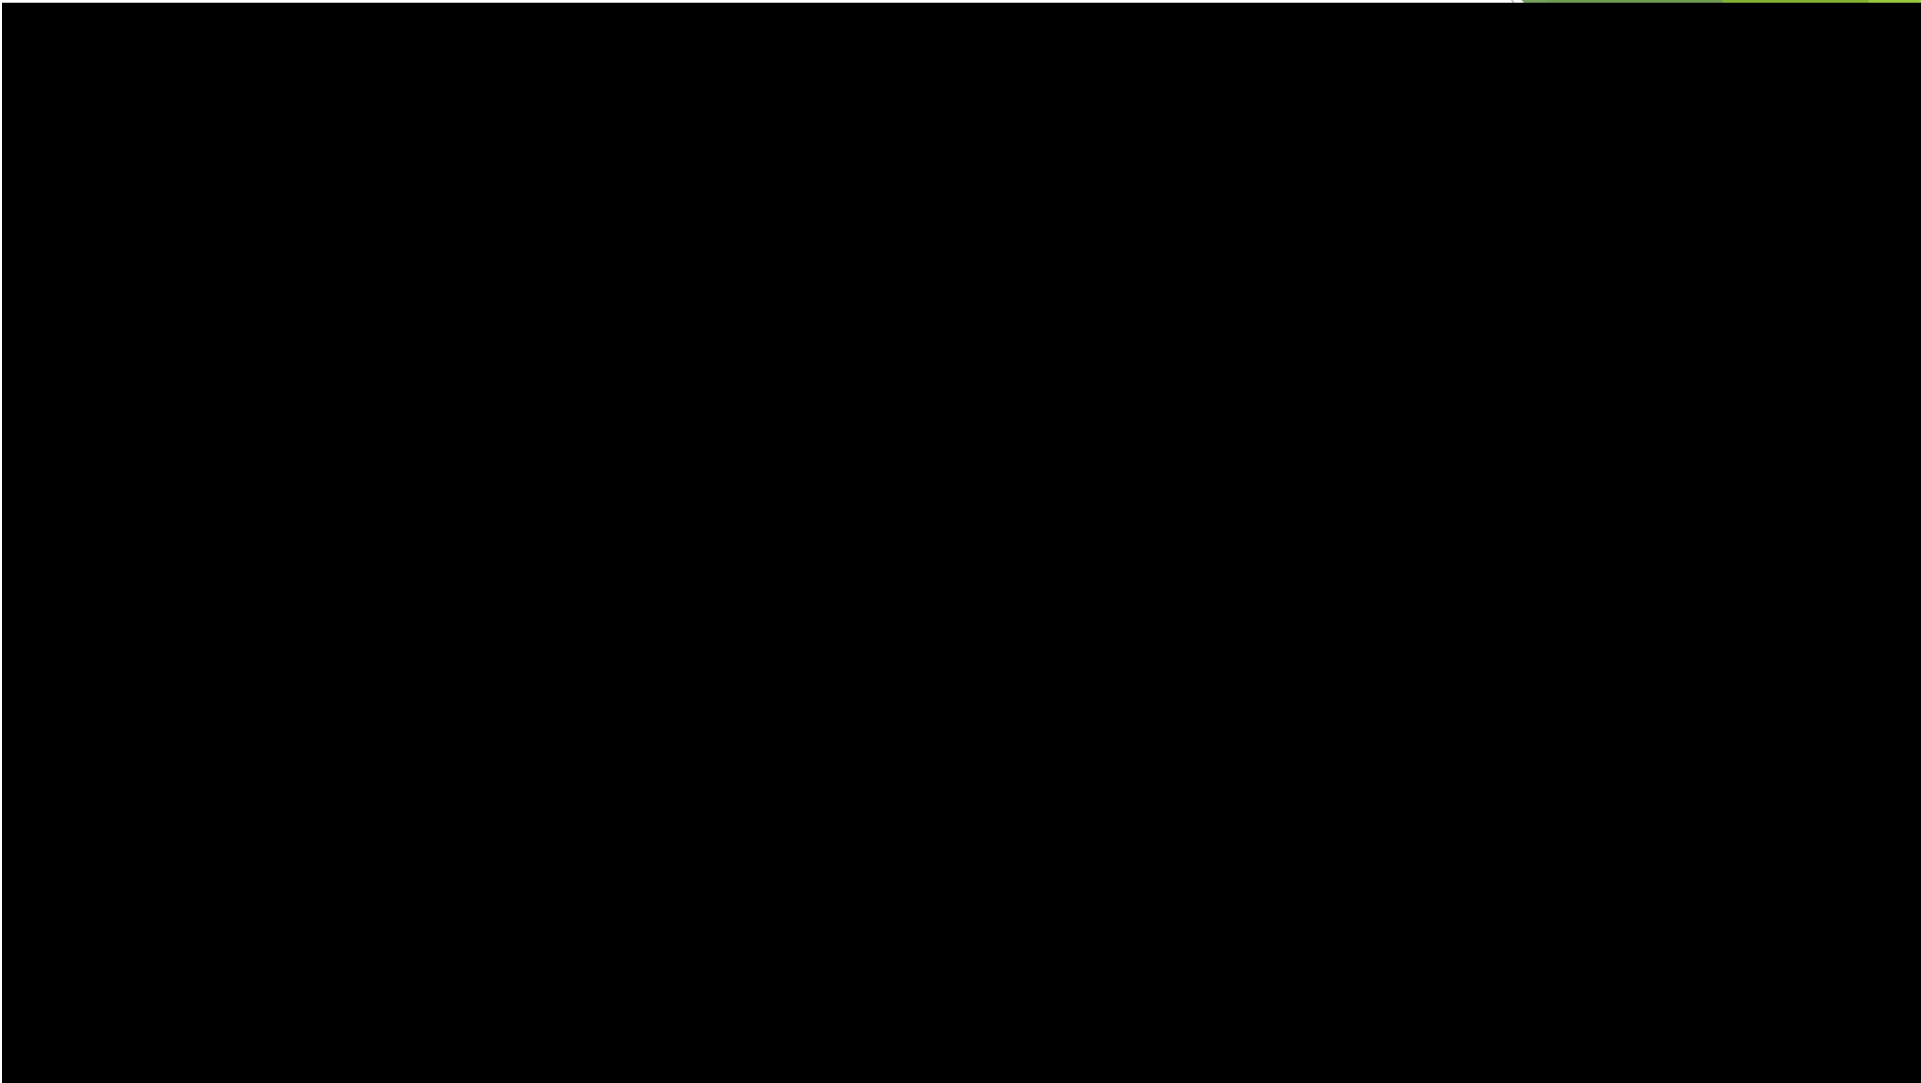

# Bikes in Schools

Bikes ready to rip on opening day at Terrace End School

Aleisha does the honours for the Bikes in Schools opening at Tākaro School

# Terrace End School pump track in action

# St Mary's pupils on the sealed perimeter track

Kids cluster with their bikes outside the bike storage container

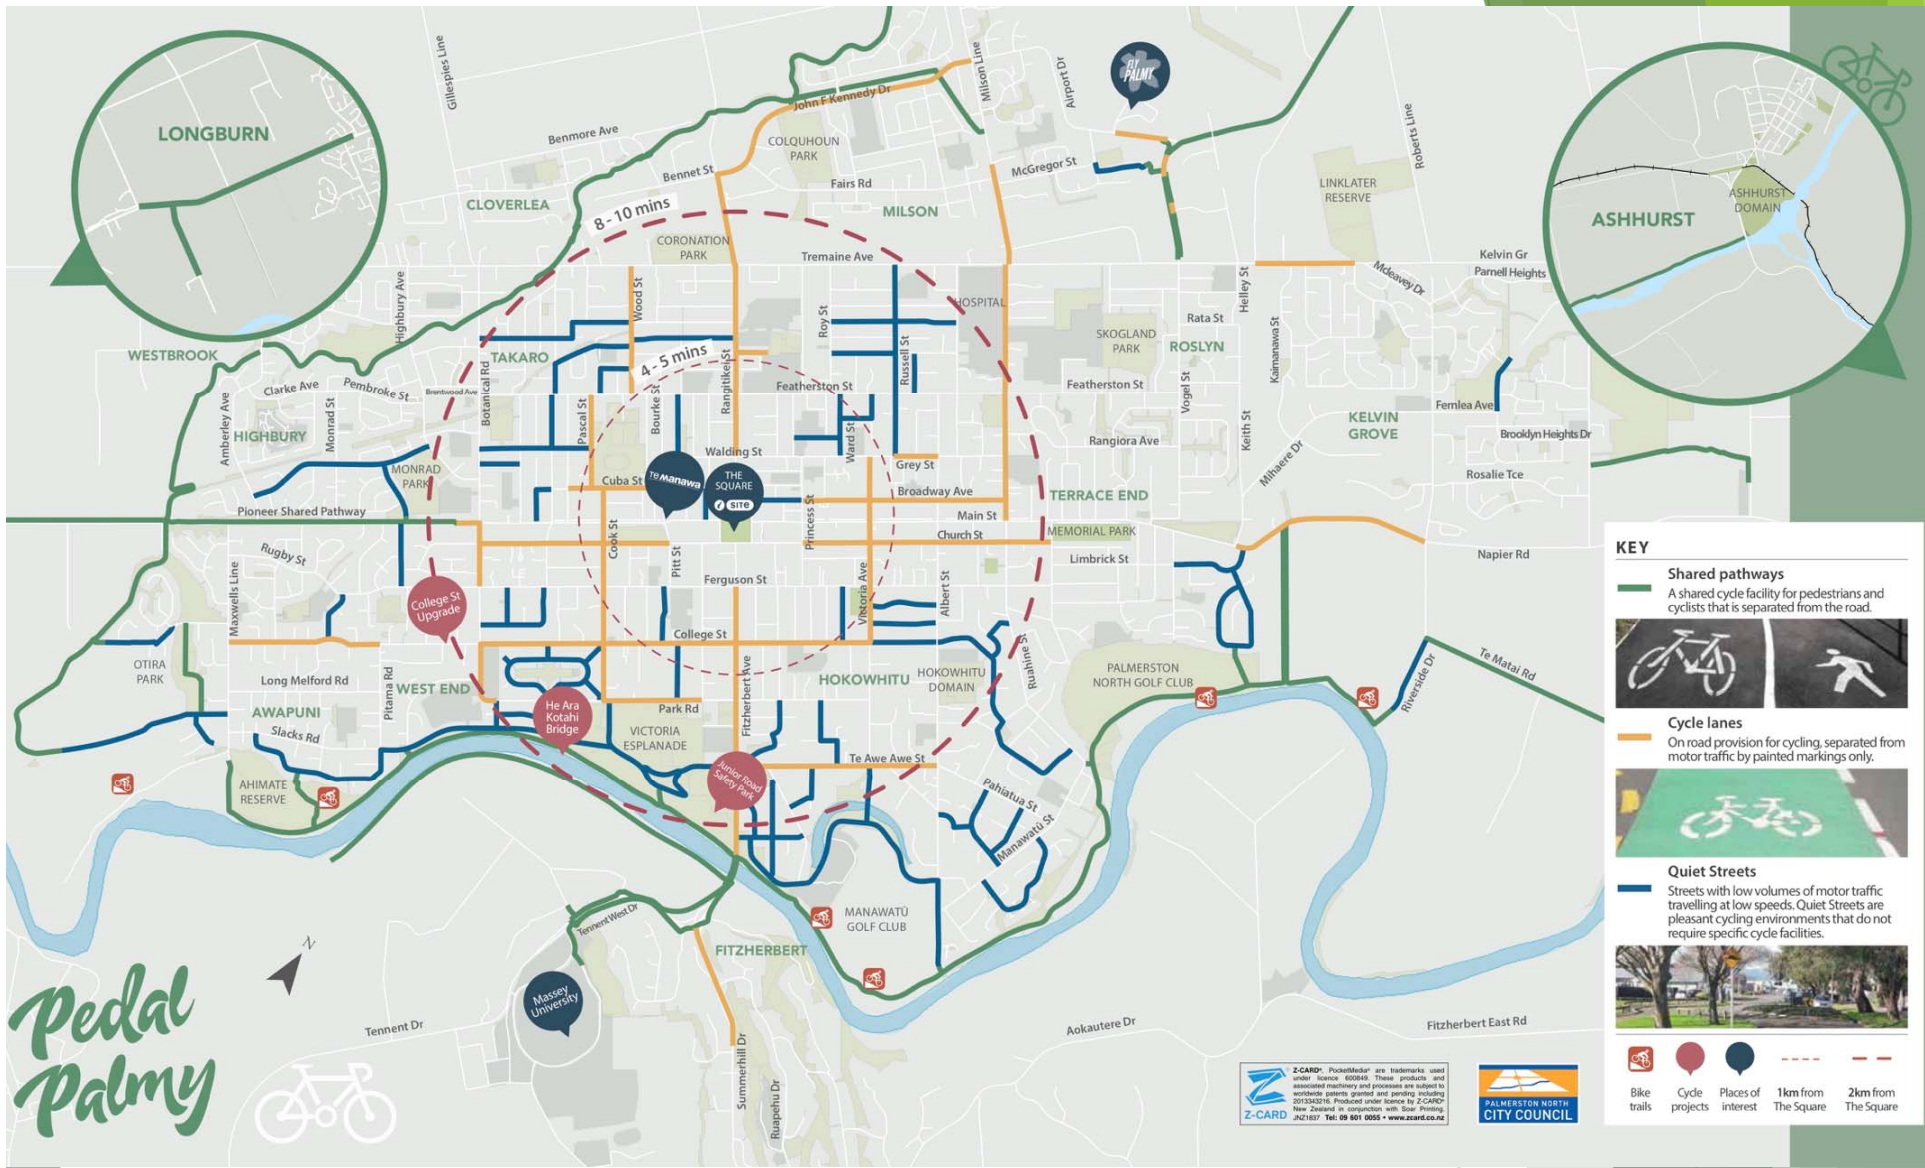

# Shared Path Network

# Connecting with the Manawatū River

Pedal Palmy

**KEY**

- Shared pathways**  
A shared cycle facility for pedestrians and cyclists that is separated from the road.
- Cycle lanes**  
On road provision for cycling, separated from motor traffic by painted markings only.
- Quiet Streets**  
Streets with low volumes of motor traffic travelling at low speeds. Quiet Streets are pleasant cycling environments that do not require specific cycle facilities.

Bike trails  
 Cycle projects  
 Places of interest  
 1km from The Square  
 2km from The Square
