

# INSTAGRAM EAST BALI TOUR

- **Detail Itinerary**
- Accompanied by our tour guide and arrive at the famous Heaven Gate of Lempuyang Temple in time for sunrise. Take some candid images in the soft light of 'Golden Hour' and enjoy a peaceful photo session. Continue the journey to Tirta Gangga Water Palace, a veritable treasure trove of photogenic backdrops. Models also need to eat, thus it's time to indulge in a well-deserved breakfast at the only restaurant inside the water palace. Fully recharged, head to Bukit Asah (Asah Hill) and enjoy the panoramic views of the Balinese coast where the rugged shore clashes with the azure-blue water, jump up high or pose amidst a picnic set up. Last stop on this photography quest is Virgin Beach. With little crowds, clean white sand and crystal-clear water to boot, this beach is one of the island's best kept secrets. Change outfits and capture some enviable moments in paradise. For a special local touch, pose with a traditional Balinese fishing boat, sitting close to the shore. Once finished, grab a chair in the shade of a parasol at a small cafe and relax with a refreshing drink. Spend some time tanning on the beach or swimming in the sea before travelling back to the hotel to upload the best shots - #nofilterneeded of course!

# Explore West Nusa Penida Island

## Detail Itinerary

Enjoy the fun 45-minute speedboat ride to Nusa Penida, where a driver will be waiting at the ferry drop-off point. Set off on the day's adventure and get ready to be awed all day by a series of breathtaking discoveries. The first stop is Kelingking Beach, one of the most striking natural landmarks in Indonesia. Kelingking translates in English to "pinkie finger," but the breathtaking viewpoint is actually most famous for its striking resemblance to a Tyrannosaurus Rex! Stand atop the steep cliffs to marvel at the famous rock formation, jutting into the water to cradle a white sand beach. Head next to Broken Beach, a small cove locally known as Pantai Pasih Uug. Broken Beach is a naturally formed lagoon, a circular hole in a rocky outcrop that appears at first glance to be entirely enclosed by cliffs. Sip on a coconut at a nearby stall and wonder at this natural spectacle, watching clear water drift in from the ocean beyond. From the towering heights of Broken Beach and Kelingking Beach, head closer to the water at Angel's Billabong. This natural "infinity pool" is a lagoon framed by staggered and jagged volcanic rocks. The water is clear enough to see the strange patterns of rock formations on the pool floor. Next, having a lunch at a local restaurant before travelling to Crystal Bay Beach. Jump right in to the calm and clean water of this picturesque beach, abundant in exotic marine life.. After a full day of exploration and relaxation, return to the harbour to board a speedboat back to Bali

**Pick up : 06.30 AM**

# Explore East Nusa Penida Island Tour

## Detail Itinerary

Travel by speedboat across azure waters and into paradise with this full-day tour that incorporates history, culture and stunning vistas. Head to Goa Giri Putri – an ancient holy temple located inside an underground cavern. The uniquely narrow crevice nestled in the rock face is just big enough to allow one person at a time but prepare for jaws to drop as through the stony entrance is an awe-inspiring underground grotto big enough to fit around 5,000 people. Learn about the Hindu religion as a knowledgeable local tour guide walks through shrines, temples and prayer spots where the pilgrims come to worship deities such as Guan Yin, the Goddess of Mercy. Continue to Tree house (Rumah Pohon) has become something of a craze. It is perched up on the mountain at Thousand Island (Pulau Seribu) viewpoint near Atuh Beach. Don't forget take nice photograph in some spot picture there. Take a break and enjoy delicious lunch in local restaurant. After Lunch, wind down the day with a visit to the breathtakingly beautiful Atuh beach and Diamond Beach . Surrounded on all sides by soaring, foliage-topped cliffs, the secluded Atuh beach is a sight to behold. With flawless white sand and clear turquoise water, this little bay is accessed by a dizzying descent down a set of steep, stone steps. Enjoy the beach and sun bathing before head back to real life via speedboat back on the mainland.

# NORTH COAST BALI TOUR PRIVATE

## Detail Itinerary

The markets of Candi Kuning are the first stop today. After departing the markets, we continue on to Lake Bratan, where we can find Pura Ulun Danu Bratan, a temple built entirely on small islands and dedicated to the water goddess Dewi Danu. Passing by the twin lakes of Bali, we arrive at the town of Banjar, with enough time to take a dip in the hot springs for which this village is famous. Local people believe that the springs have healing properties, and that the high sulphur content of the water gently nourishes the skin. After a fresh water shower, head to Lovina, an area famous for early morning dolphin sightings, and enjoy lunch at a local seaside restaurant. Needless to say, the beach is beautiful, and offers great photo opportunities with its colourful outriggers lining the pristine sands. After lunch, visit the former Dutch capital of Bali, now known as Singaraja, which, if translated directly, means 'Lion King'. Once a bustling centre of commerce and government, Singaraja is now a sleepy town with tree lined boulevards and old colonial residences. On the return journey, a final stop is made at Git Git Waterfall, with its impressive 80m cascade, which is sure to be a memorable conclusion to this diverse and enjoyable trip.
