About the course

Calling all Infection Prevention Coordinators, Dental Assistants, OHTs, and Dentists. The knowing and the doing can be challenging to align!

Register for this full day workshop and update your Infection Prevention and Control knowledge with a focus on the 'what' to do, the 'why' it should be done, and the 'how' to do it!

COVID-19 has highlighted the importance of Standard or Transmission Based Precautions to protect both patients and staff. We have been reminded how easily a virus can be transmitted and the focus required to manage aerosols in the clinical environment.

Practical implementation is included in this workshop with work stations set up for several of the topics, including;

- PPE – appropriate choice of products, understanding mask standards, face shields, mask permeability, glove porosity, donning and doffing procedure
- Hand Hygiene – light box with fluorescent hand sanitiser
- Impression management
- Surface management
- Methods of transmission activity – bacteria and viruses
- Instrument reprocessing and management – packaging, instrument audit
- Performance Requalification – annual in practice process and documentation
- There will also be a review of documents required, including;
- Risk assessment and Patient screening
- Policy & Procedures Manual
- MSDS review
- Validation paperwork review: Performance Qualification and Performance Requalification process.

This course provides up to:

6 CPD hours

Registration conditions

1. Registrations may not be shared.
2. Early bird registrations that remain unpaid after the close of early bird will be automatically increased to the standard registration rate.
3. Dentists must register as dentists, NZDA members are not eligible to register for the Dental therapist/hygienists day or Team day for dental surgery assistants and practice managers.

Cancellation policy

All cancellations must be in writing to Conference Innovators. You may reassign your registration to another person at no charge.

Should you need to cancel your registration, you may reassign your registration to another person.

Please notify in writing Kate Howden, Conference Innovators, kate@conference.nz. If you are unable to arrange a replacement, a full refund less an administration charge of \$100 will be made providing notification is received by Tuesday 1 September. After this date, refunds will be at the discretion of NZDA.

If, for reasons beyond NZDA's control or for reasons of delegate health and safety the Conference is cancelled, then the registration fee will be refunded after deduction of expenses already incurred.

If you cancel one or more social tickets (retaining your registration) prior to Tuesday 15 September, a full refund will apply. After this date there is no refund except at the discretion of NZDA.

Accommodation cancellations or amendments are subject to the individual hotel policies – please refer to the website for specific details. Most hotels have a non-refundable policy if cancelled within 30 days of the Conference.
