Abstract title:	Boys Leadership and Wellbeing
	<p>Igniting a passion for service and leadership. Reinforcing positive school culture and sense of belonging. Designing and enforcing their own tikanga. Raising young men who are proud to work hard, know where they come from and want the best for themselves and those around them.</p> <p>This presentation will detail the creation of a boys leadership and wellbeing focused group at Ōtaki College in 2019. The focus will be reflection on what went well, what definitely did not and what the future holds for Manukura GPS and the kura in 2020.</p> <p>Join in an informal korero on how positive and sustainable change can be meaningfully made within a school environment.</p>
