RURAL ROAD AND REHABILITATION FORUM 2021

INSTITUTE OF PUBLIC WORKS
ENGINEERING AUSTRALASIA

WE ARE DELIGHTED TO INVITE YOU TO PARTICIPATE AS A SPONSOR OR EXHIBITOR AT THE 2021 RURAL ROAD AND REHABILITATION FORUM IN DALBY, 30 AUGUST – 1 SEPTEMBER!

Why is this Forum important for the public works sector in Queensland?

Two thirds of the Australian population live in capital cities and metropolitan areas yet more than half of the road fatalities occur on rural and remote roads. And with 150,000 kilometres of rural roads in Queensland, the maintenance and rehabilitation of those roads play a critical role in saving lives.

Which strategies, solutions, products and practices achieve the best outcomes with locally resourced materials and expertise?

Why is this Symposium important for you as a potential sponsor?

Following on from successful Road Forums in Croydon (2019) and Longreach (2018), this year's Forum will continue to build on the collective knowledge and experiences of practitioners and experts in the field. As a 2021 Sponsor, you will:

1. Associate your brand with affirmative action on road safety.
2. Demonstrate your support and commitment for those involved with public works in Queensland.
3. Become a priority #1 sponsor for future Rural Roads Maintenance and Rehabilitation Forums.
4. Meet our industry professionals – engineers, supervisors, pavement, surfacing and stabilisation specialists, soil and materials experts, leaders and specialists in their field.
5. Present new products and services which will enable our industry professionals to deliver better outcomes for rural communities.
6. Promotion of your brand throughout the event on social media, conference materials, on our website, delegate communications, media releases etc, and after the event in our quarterly journal, Engineering for Public Works.
7. Meet potential new customers in a social environment at the Forum dinner.
8. Trade exhibition opportunities also available to complement your sponsorship (included for Gold and Silver sponsors).
