President's Charity - Strengthening Rural Communities

The Strengthening Rural Communities (SRC) program aims to give the thousands of small rural, regional and remote communities across Australia an opportunity to access funding to support broad community needs.

Given the events of summer 2019/20, it has also been expanded to offer funding to support recovery in bushfire-affected communities.

Grants are available for a broad range of grassroots, community-led initiatives that directly and clearly benefit local communities. Applications are accepted on an ongoing basis and assessed quarterly.

During the SWQ/SEQ Branch Conference, we will be selling raffle tickets to raise money for Strengthening Rural Communities. Tickets will be sold throughout the conference at 5 for \$20 or \$5 per ticket. The raffle will be drawn during lunch on Thursday 31 March.
