### What's It All For?

Wishbone have funded NZ based orthopaedic research for over 25 years & this research then improves NZ patient outcomes and transforms lives through increased mobility & quicker patient recovery time. Orthopaedic surgeons and outdoor adventurers Perry Turner and Ian Galley have worked with local coordinators to offer adventures then length of NZ - all aiming to raise both awareness and funds needed for this orthopaedic research.

The sections hosted by Invercargill Hospital start mid-January 2024 and the Wishbone Relay finishes in late March 2024 with a gala dinner & sporting events hosted by Auckland surgeons.

The locally run & sponsored journeys create an opportunity for the orthopaedic community from all over NZ to come together, get active & support Wishbone by walking, biking, paddling, sailing and more!

Colleagues, friends & family ... everyone moving together to support orthopaedic research and helping Kiwis by restoring function and quality of life.

### Hosts & Escorts

Perry & Ian have set themselves the challenge of completing as many of the legs as possible with you and they are both pouring vast amounts of time & energy into organising this Wishbone Relay - Why?

*“My main motivation was to bring all those involved in care of our patients together and share what orthopaedic surgery is achieving in NZ with the public.*

*I want to help bring us together in a fun activity and common goal.” - Ian*

*“This is an opportunity for myself and my family to give back to a job and career that has given us so much.” - Perry*

On this leg the baton passes to **local hosts Brendan Coleman and Simon Manners**. For questions about the day, please contact them directly: [brendan@thecolemans.nz](mailto:brendan@thecolemans.nz)
