Oceania Tobacco Control Conference 2024 Conflict of Interest Principles

Oceania Tobacco Control Conference committee members, delegates, speakers and sponsors must uphold and adhere to the following principles:

- They do not directly or indirectly accept funding, support or in-kind contributions from the tobacco, e-cigarette or non-TGA* approved nicotine products industries or any organisations, associations or alliances working to further the interests of these industries, including the Foundation for a Smoke-Free World (FSFW) or those that receive direct or indirect funding, support or in-kind contributions from the FSFW.
- They are not associated with, support or work with the tobacco, e-cigarette or non-TGA approved nicotine products industries and any organisations, associations, alliances and individuals that work to further the interests of these industries or have received direct or indirect funding, support or in-kind contributions from them.
- They do not have a vested interest in the tobacco, e-cigarette or non-TGA approved nicotine products industries, and any organisations, associations, alliances and individuals that work to further the interests of these industries, including the Foundation for a Smoke-Free World (FSFW), or those that receive direct or indirect funding, support or in-kind contributions from the FSFW.
- They are not directly or indirectly funded or accept funding, support or in-kind contributions from any organisations, association, alliances or individuals with policies, objectives, principles, vision, mission or goals that include, support or relate to the production, supply, availability, promotion and demand of products manufactured or sold by entities with interests in the tobacco, e-cigarette or non-TGA approved nicotine products industries.
