

Rae-Lee Fleming
Director, Bundaberg Brewed Drinks

Rae-Lee shares the birth year with her parents, coinciding with her family's acquisition of Bundaberg Brewed Drinks, then operating as Electra Breweries. She initially pursued a career as a Primary teacher in Western Queensland and later as an Early Childhood Advisor before returning to Bundaberg to join the family business.

Throughout her tenure, Rae-Lee has held diverse roles within the company. Her current positions on the Board of Directors and as Company Secretary strategically steer future growth and direction. She also serves as the family's Ambassador to both internal staff and external parties.

Rae-Lee, along with her husband John McLean, has two adult daughters. In 2021, they successfully enticed the fourth generation of the family to join the business, marking an impressive achievement.
