Workshop Summary

This one-day workshop is for experienced training supervisors (including Diplomates undertaking supervisory roles). Whilst the workshop will focus on the FRANZCOG, DRANZCOG and DRANZCOG Advanced programs, training supervisors of specialist international medical graduates (SIMGs) and subspecialists, are also welcome to attend.

This engaging workshop includes discussion, group activities and ample time to interact with supervisor colleagues.

Objectives

By the end of this workshop participants will be able to:

1. Discuss the role of the supervisor in supporting trainee learning.
2. Identify the role of feedback in supporting trainee learning.
3. Discuss principles of valid and reliable assessment and the impact the assessor has on reliability and validity.
4. Develop a plan for supporting their trainees in the workplace.
