

### RCSA COVID Safe Plan

RCSA is committed to the safety and wellbeing of everyone who attends an RCSA event, and we continue to do our utmost to prevent the risk of COVID-19 transmission at our events. This plan outlines the measures we have in place to ensure your safety, and the safeguards we expect our delegates to take at our events. Please find below the COVID plan for all RCSA events to ensure that we can all enjoy the events with confidence which are in line with government and health standards. We recommend that you familiarise yourself with this before attending any RCSA event.

### RCSA COVID Safe Event Requirements include:

- Adherence to public health directions
- Contact tracing: While QR check-ins are generally not required, RCSA maintains attendance records for our in-person events to assist with contract tracing where possible
- Density and capacity limits: these will be calculated in line with government requirements at the time of the event
- Masks: this will be in line with government requirements at the time of the event. While masks are generally no longer required, individuals are encouraged to wear masks if they choose
- Vaccination: this will be in line with the specific venue and government requirements at the time of the event. If proof of vaccination is required, attendees will be notified in pre-event email communications
- Hygiene measures: sanitising stations will be available at all events

As state government requirements are different, relevant information will be communicated to registrants prior to the event based on the location of the event. Registrants will also be advised of any changes to restrictions should there be any. Relevant public information can be accessed from the following links:

Conditions of attending an RCSA event:

We expect RCSA attendees to follow COVID safe practices and ask our members to not attend an RCSA event if you answer yes to any of the following questions:

- Are you experiencing any symptoms including fever, chills or sweats, cough, sore throat, shortness of breath, runny nose, and loss of sense of smell or taste? (If you are experiencing any of these symptoms, please get tested)
- In the last 14 days, have you tested positive to COVID-19 or been in close contact with any person diagnosed with or has had COVID-19 like symptoms?

For more information about refunds or event cancellations due to COVID, please see the [RCSA Booking Terms & Conditions](#)
