3. Visitors must adhere to signage at the event entry and within the venue advising of COVID-19 health regulations, rules and restrictions. As these regulations can change, please be aware they may include but are not limited to any requirement to wear a face covering or mask, requirements to follow directional signage and adhering to social distancing guidelines. If requested by relevant authorities, visitor information may be used for the purposes of contact tracing.
4. Visitors agree they will not promote their products or services to exhibitors while attending the show. Visitors found in breach of this rule may be asked to leave the event immediately and may be refused entry to future shows.
