U Jalyalup COUNTRY

# **Final program**

This forum has been developed in collaboration with the WA Child Ear Health Strategy partners:

WA Country Health Service Department of Aboriginal Affairs Child and Adolescent Health Service

# **FINAL PROGRAM**

### FRIDAY 18 NOVEMBER 2022 | The University of Notre Dame Australia – Education Building ND36

Please note: This program is subject to change.

8.00am	Registration – Tea and coffee on arrival			
OPENING PLENARY				
Time	Event			
8.30am	Welcome from the WA Child Ear Health Strategy Chair			
	Professor Peter Richmond MBBS MRCP(UK) FRACP			
	Professor Richmond is a consultant paediatric immunologist and paediatrician, and Head of the Department of Child Health Research at Perth Children's Hospital. He is also Director of the Child Health Research Network, Child and Adolescent Health Service, and Head of the Vaccine Trials Group at the Telethon Kids Institute.			
	Welcome to Country			
	Matthew McGuire			
9.15am	Identifying barriers and enablers for the effective provision of primary health care for Otitis Media in Aboriginal children			
	Dr Gloria Lau			
	Pre-recorded presentation			
	Hear from Paediatric Respiratory and General Paediatric Advanced Trainee Dr Gloria Lau discussing the barriers and enablers in provision of primary health care for Otitis Media in Aboriginal Children.			
9.30am	Child ear health screening in WA			
	Sharon McBride – WA Country Health Service			
	This session, facilitated by WA Country Health Service, will showcase their ear health screening programs operating in WA. The session will highlight the importance of screening programs and engaging children and their families in the ear and hearing health pathway.			
10.00am	Local planning forums developing local solutions			
	Joe Ghandour and Lucille Bin Sulaiman – Kimberley Ear Health Coordination Panel			
	Delegates will hear how the collaboration of members has led to establishing and endorsing regional Key Performance Indicators. The Panel will discuss the current challenges in coordinating regional data and reporting outcomes.			
10.15am	Developing consistent key ear health promotion messages in the community			
	Rae de Rusett – South West Aboriginal Medical Service			
	Highlighting current health promotion resources and initiatives that emphasise engagement with families and the community.			
10.30am	Morning tea

Time

### Event

### **Breakout sessions** – please select one of the following sessions

3.45pm

Advanced ENT diagnosis

### **Facilitated by Dr Francis Lannigan**

This interactive Q&A session will discuss current ear and hearing health guidelines, screening and referral pathways.

Aimed at general practitioners.

## Advocating for communities: MBS items for primary health care providers

### Facilitated by Dr Marianne Wood, Aboriginal Health Council of Western Australia

This session will provide an update from the Aboriginal Health Council of Western Australia on the process of advocating for an MBS tympanometry item for primary health care providers and provide an update on other ear and hearing health MBS items currently available for Aboriginal health workers and nurses.

Aimed at health administrators, ear health coordinators, primary health care service providers and researchers.

### **Practical upskilling**

### Facilitated by Kathleen Stoop, Hearing Australia and Dr Luke O'Neil

This audiology and ENT Registrar facilitated practical upskilling session will focus on interpreting tympanograms and demonstrate ear irrigation and suctioning methods. Delegates will have the opportunity to apply their learnings in the session.

Aimed at Aboriginal health workers and practitioners, audiologists and community health nurses.

### **CLOSING PLENARY**

4.45pm (	Closing	address
----------	---------	---------

5.00pm

### **NETWORKING SUNDOWNER**

Includes complimentary drinks and canapés

Join us to network and connect with peers, colleagues, specialists and presenters at the close of the November 2022 WA Ear and Hearing Health Forum.

Should you wish to attend this event, please see the registration desk.
