*This conference is proudly delivered by Rural Health West
in partnership with WA Country Health Service –
Better Medical Care Initiative and the Australian
Government Department of Health and Aged Care*

INVITATION

Rural Health West invites you to attend the WA Rural Health Conference 2023 to be held on Saturday 11 and Sunday 12 March 2023 at the Perth Convention and Exhibition Centre.

Health professionals are busy and it can be challenging finding effective ways to engage them. This is even more true of rural health professionals who may be one of only a few health professionals in town, supporting the entire community from babies to the elderly and everything in between.

The WA Rural Health Conference provides organisations with a unique opportunity to interact with health professionals from across rural Western Australia in one location.

Over the past few years, the WA Rural Health Conference has expanded to provide a multidisciplinary conference program for all health professionals working across rural WA and an opportunity for

them to access leading experts, their fellow practitioners, researchers and decision-makers in the rural health space.

This is an excellent forum to meet and reunite face to face with health professionals and offers a range of networking and engagement possibilities.

You are invited to peruse our range of menu of exhibition, sponsorship and advertising options available for the 2023 conference.

We anticipate the conference will attract more than 300 delegates from across the state, making this an ideal opportunity to engage with medical, nursing, research, allied health and other specialist professionals.

We have developed opportunities to provide you with maximum exposure, promoting and acknowledging your involvement in the lead up to, throughout and after the conference.

Whether you're looking to showcase new technology or seeking to connect to health professionals about tried and trusted products and services, we would be delighted if you could join us in 2023.

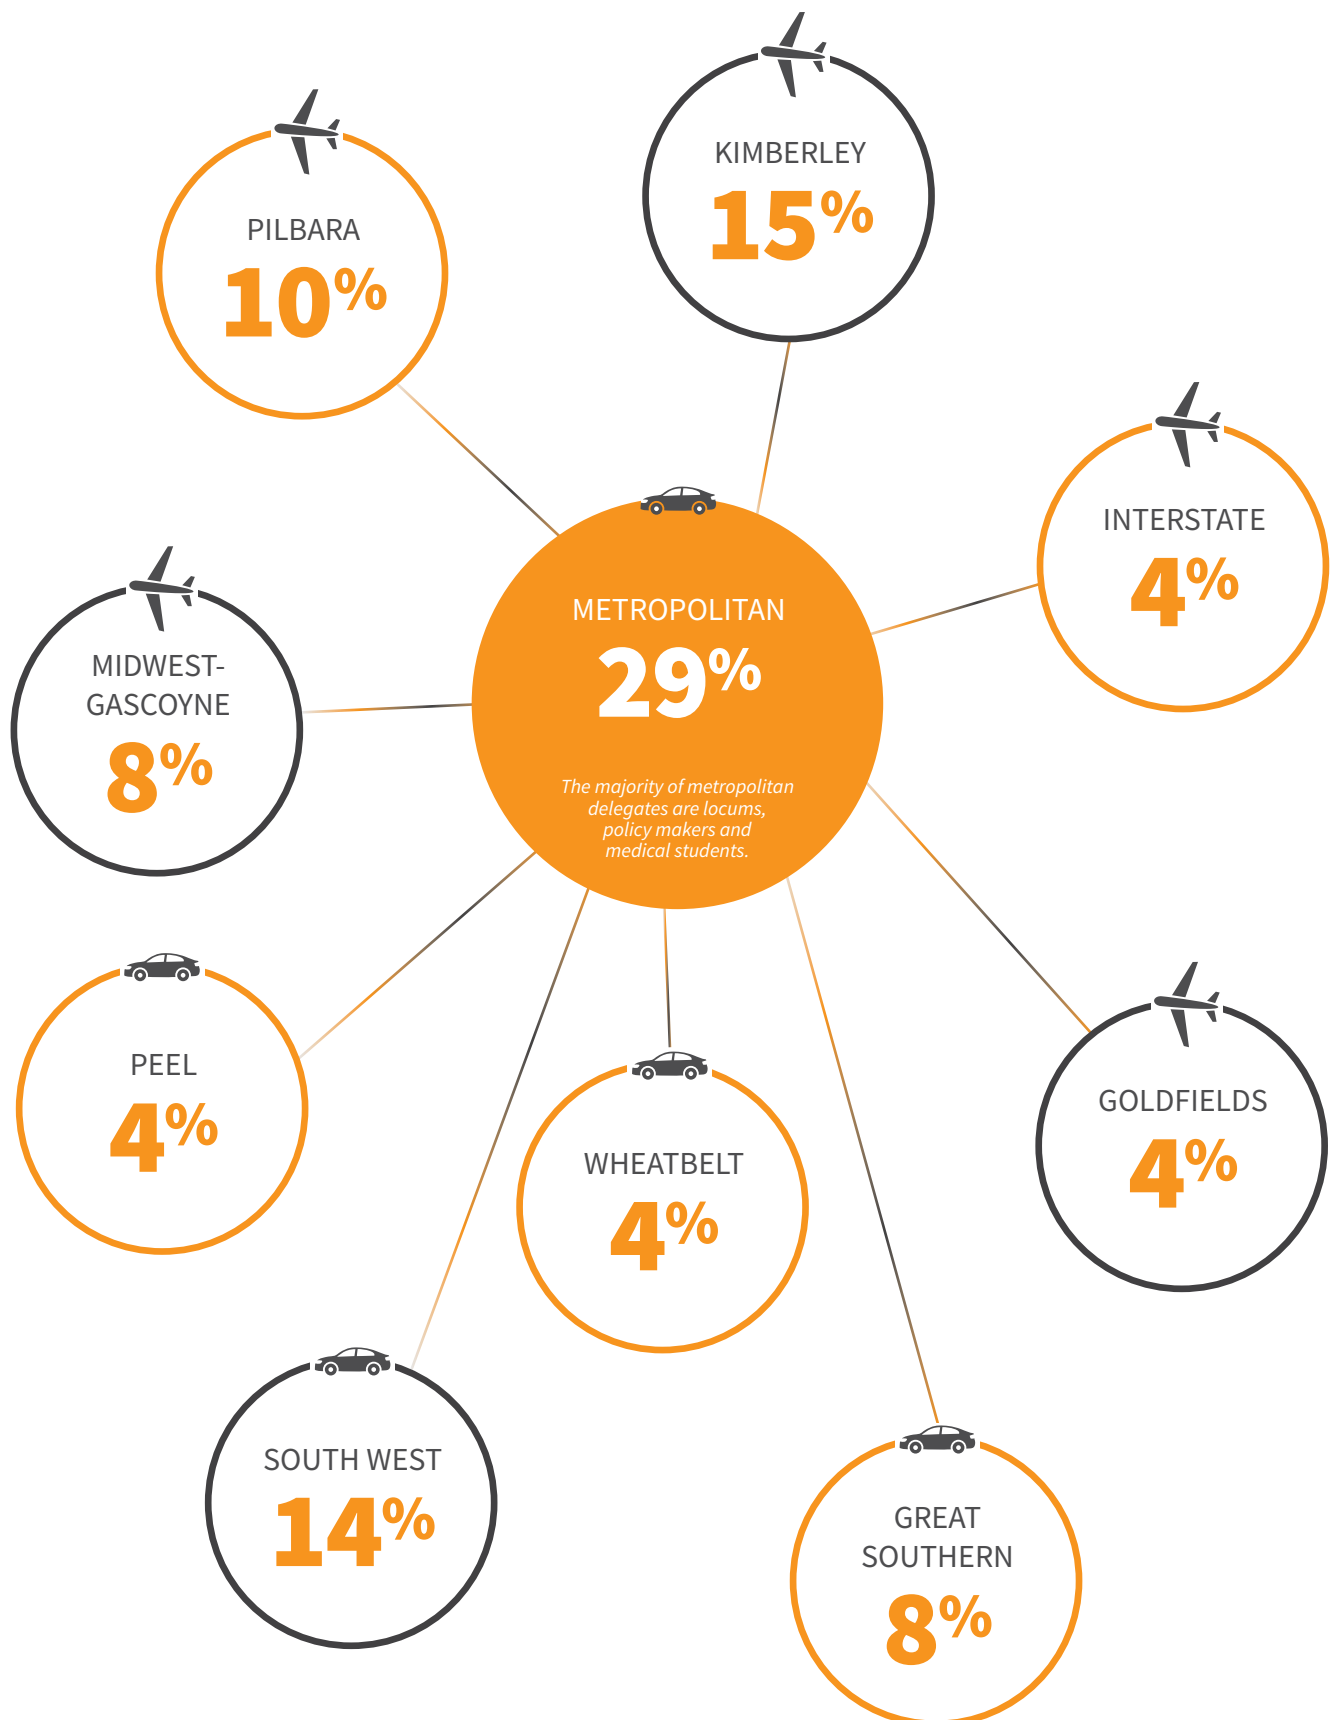

Thank you in advance for supporting the 2023 WA Rural Health Conference and contributing to the health and wellbeing of rural communities.

A handwritten signature in black ink, enclosed within a simple black circular outline.

Tim Shackleton
Chief Executive Officer

ABOUT THE CONFERENCE

Where our delegates travel from

Who attends

The conference is expected to attract more than 300 delegates from across Western Australia. This conference is open to all health professionals.

Attendees at the conference will include:

- Medical practitioners
- Nurses
- Specialists
- Midwives
- Allied health professionals
- Aboriginal health professionals
- Medical, nursing and allied health students

Venue

The conference will be held at the Perth Convention and Exhibition Centre. This venue is in an ideal city location. The convenient setting is steps away from shopping, entertainment, attractions, the picturesque Swan River, and parks and gardens – all within easy reach.

The conference is being held on the lands of the Nyoongar people. We respectfully acknowledge these traditional owners who will provide a welcome to country for delegates.

Theme and program

The conference theme: **People, Purpose, Passion - A unified pathway towards meaningful care** will be addressed through:

- Presentations
- Panel discussions
- Clinical updates
- Practical workshops
- Hands-on concurrent sessions
- Case study learning opportunities

For further information on the conference, please [CLICK HERE](#).

BENEFITS FOR PARTNERS, SPONSORS AND EXHIBITORS

Becoming a partner, sponsor or exhibitor at this expanded conference provides a unique opportunity for you to promote and showcase your products and services.

The majority of delegates are from rural and remote locations, which provides the perfect opportunity to make contact with hard to reach health professionals.

It will be to your advantage to confirm your involvement at the earliest opportunity in order to gain maximum benefit to your organisation through pre-conference promotion and advertising.

The conference is an opportunity for you to network with other major sponsors from a variety of organisations.

The benefits to your organisation include:

- An enhanced company profile
- Increased customer contact and business opportunities
- A unique opportunity to give delegates 'hands-on' experience with your products
- An opportunity to launch new products
- Business development opportunities
- Access to a wide range of health professionals you may not otherwise visit due to remoteness

This will result in:

- Heightened awareness and an enhanced corporate and/or product profile
- Increased business potential
- Increased relationship development
- Secured business leads

We recommend the sponsorship and exhibition application form is completed as early as possible to secure sponsorship rights and exhibition space.

A floor plan of the trade exhibition is on page 17. Organisations should note that booths are allocated to sponsors and exhibitors strictly in order of the date of receipt of the booking form and payment.

Your involvement will be featured in online material from the time you confirm your commitment.

Rural Health West will develop a conference app for this event. A component of this app will encourage delegates to visit exhibitors where they will be scanned and accumulate points at each exhibition booth. Delegates who accumulate the required number of points will be eligible to win a prize to be drawn at the close of the conference.

Thank you for a fantastic and memorable weekend.
