Reimbursements are available for the following items:

Fuel

Costs for actual fuel usage that can be supported by tax invoices are reimbursable. Please note that EFTPOS dockets from the service station will not suffice. Only travel to and from the conference is reimbursed NOT fuel used in and around Perth if you use it for other purposes.

Note: if you are claiming this amount it is recommended that you:

1. Fill up your vehicle before departing your home town
2. Refill your vehicle upon arrival at your home town.

Air Travel

Should have been booked through our travel provider (Corporate Traveller) so no claim should be required unless you purchased airline tickets personally. If you did book and pay for your air travel, we require a copy of the itinerary and Tax Invoice for you and your partner (if applicable) from the airline.

Please obtain Tax Invoices/receipts for all expenses. EFTPOS and Credit Card vouchers are NOT Tax Invoices/Receipts.

IMPORTANT: Reimbursement process:

1. If you paid your reimbursable expenses with a business credit card / cheque (i.e. a business expense) you must raise a Tax Invoice (including ABN) to make your claim. This is an ATO requirement as there is a GST implication. Please do NOT complete the attached GST claim form and retain your receipts for your records.
2. If you pay or have paid your reimbursable expenses with your own personal credit card or cheque please complete the Conference Reimbursement Form. Please ensure that your original receipts are attached.
