HEAD OF SUSTAINABILITY

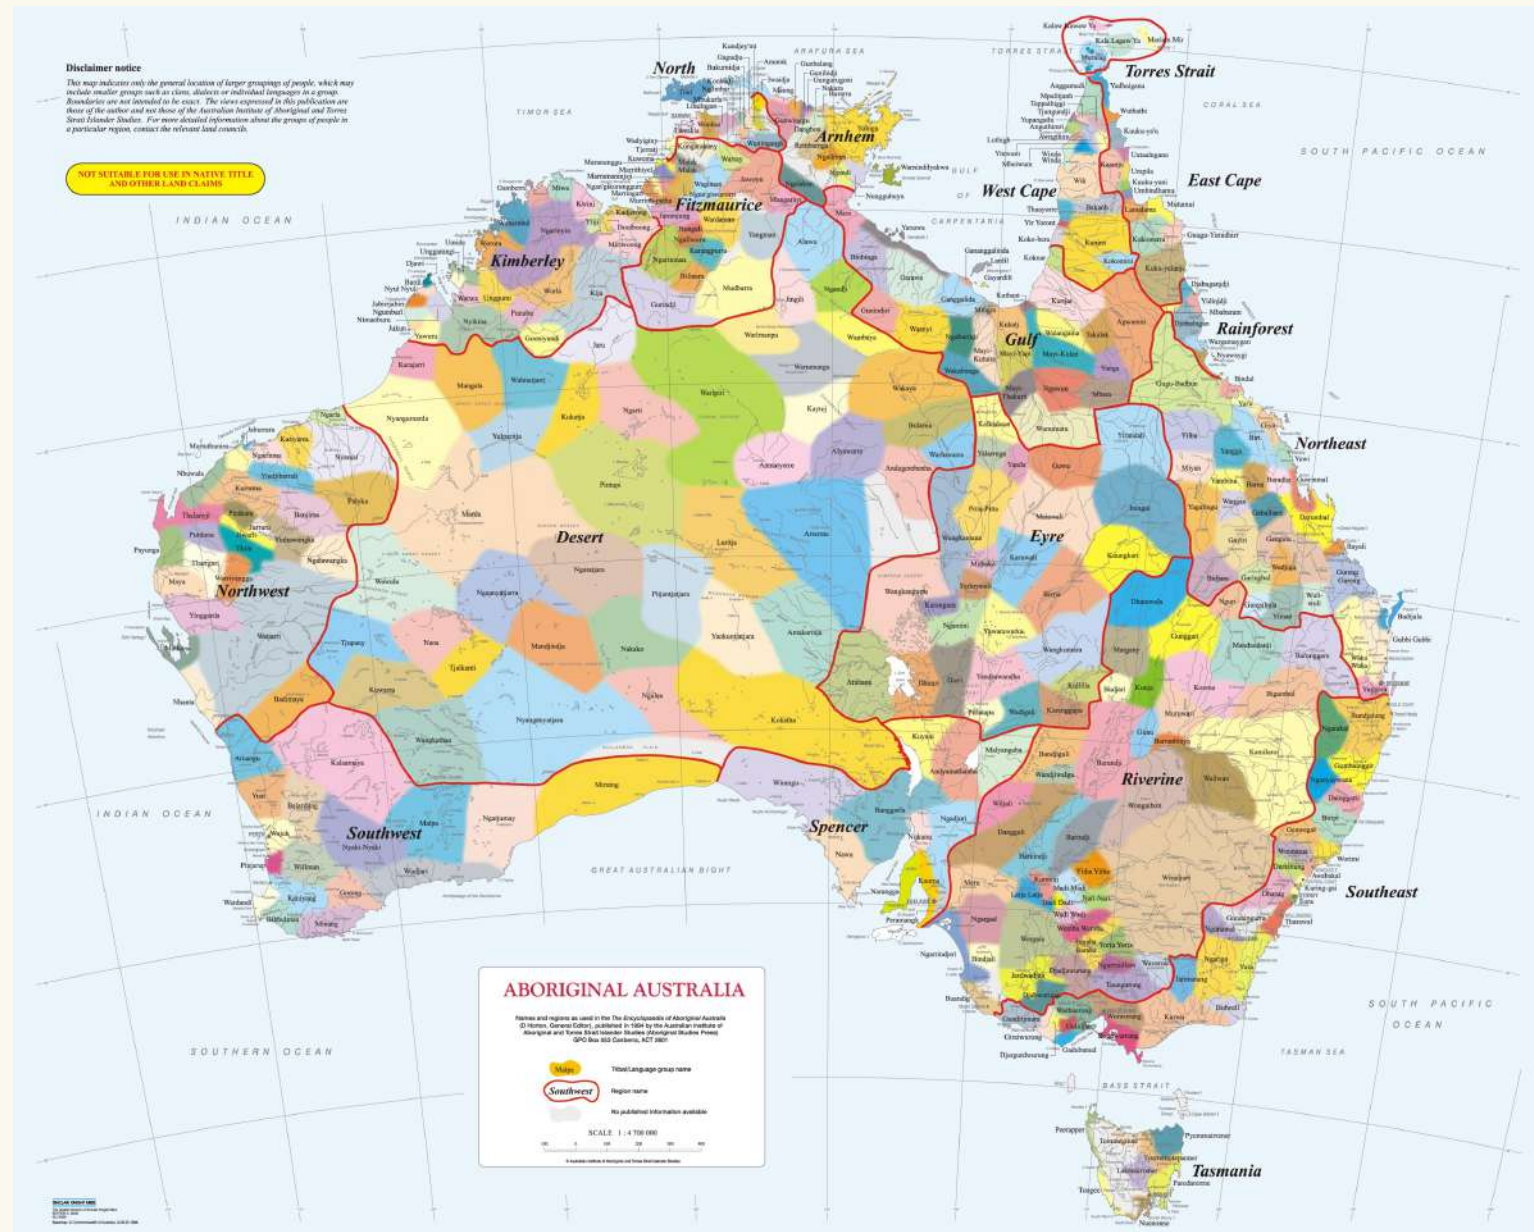

ACKNOWLEDGEMENT OF COUNTRY

Map represents all the language, tribal or nation groups of the Indigenous people of Australia.

There is great diversity of cultures, languages, kingship structures and ways of life.

At least 250 recorded Aboriginal language groups with an estimated 700 native dialects (recorded late 18th century).

Estimated 120 language groups exist today.

THERE'S NOTHING LIKE AUSTRALIA

OUR PURPOSE

In doing so we are:

- Respecting intellectual rights, cultures and traditional practices.
- Developing and shaping what our consumers want in this space.
- Driving conversion with trade partners.
- Helping the broader industry to partner with Aboriginal and Torres Strait Islander peoples.

WE HAVE AN ESTABLISHED COLLECTIVE AS THE CORNERSTONE OF OUR APPROACH

We will continue to drive awareness externally through Discover Aboriginal Experiences, and internally through cultural awareness training.
