INVITATION TO SPONSOR

For an industry with its very foundations in sociability and learning, it has been too long since we all came together face to face! Adelaide 2023 is our big comeback, and we know that the industry is counting down the days!

The Asia Pacific Section of The Institute of Brewing and Distilling (IBD) invites you to be part of this memorable event.

For the first time since Wellington 2018 we will finally reconnect with old friends and colleagues and create new friendships among members of our brewing and distilling communities, whilst being enlightened with the latest knowledge and new technologies developing in our industry.

This convention also has special meaning as we celebrate the 70th anniversary of the establishment of the IBD Asia Pacific Section and our first ever convention - held in Adelaide back in 1953. We are honouring this milestone with our Convention theme: "Celebrating 70 years, embracing our history and innovating for a sustainable future". We encourage our brewing and distilling community both local and abroad to adopt and share this theme during the convention.

2023 will see a 3-day convention from Tuesday 21st to Thursday 23rd March preceded by a fabulous welcoming function on the Monday evening. And our traditional evening social activities are back - including the famous "Trade Night", the spectacular Convention Dinner overlooking the Adelaide city skyline, finally closing with optional farewell events on the Friday.

For the first time, our technical programme will feature parallel sessions for brewers and distillers - allowing a full day dedicated to the distilling industry. And the 2½ day trade exhibition will include two dedicated half-day sessions without competing plenary sessions to allow delegates more time to engage with exhibitors – both in the exhibition hall and at exhibitor workshop sessions.

We have chosen the world-renowned sporting venue of Adelaide Oval to hold the convention as this historic ground offers not only the facilities for lectures and exhibitions but other unique experiences and promotional opportunities: Stadium tours, a thrilling RoofClimb and the best dining experience a top restaurant can offer whilst overlooking the hallowed turf of Adelaide Oval.

Adelaide boasts a vibrant brewing and distilling scene that is on par with, if not the best Australia can offer. Also known as the festival state, Adelaide is rich in arts and cultural venues and is surrounded by scenic parklands as well as offering some of Australia's best pristine beaches and coastal towns. Adelaide is also the wine capital of Australia for those of you who wish to experience the charms of the wine regions before or after the convention. There are several arts and musical events happening before the convention, including WOMA Adelaide and The Adelaide Festival not to mention the Fringe Festival, that delegates may wish to see during their visit.

For Sponsors, this is your opportunity to be a part of something special, and once again revitalise your customer engagement, and share the enjoyment and opportunities that have made our conventions famous. The following prospectus offer a wide range of sponsorship classes that caters for each companies' level of involvement and something that we hope can satisfy your marketing objectives.

Dr Jon Meneses,
Convention Chairman
