General information

The dock is managed and controlled by MCEC's Logistics team and is located on the lower ground level of the Convention Centre.

- Total size of 2,000sqm.
- Clear working height of 4.4m.
- Fully weather protected.
- Three dock levellers allow vehicles to load and unload at floor level.
- A 30 minute parking limit applies for drop-off/pick-up of goods during the move in/move out process. Vehicles are not permitted to park on the loading dock at any other time.
- Children under 15 and animals are not permitted during move in and move out.
- Vehicles and contents are the responsibility of the owner while on the loading dock.

Truck and vehicle lifts

There is one truck lift at the Convention Centre with access via the loading dock. The lift allows for large deliveries and equipment to be transported directly to all levels. The truck lift is large enough for a vehicle to fit inside. The maximum weight load for the truck lift is 13.9 tonne.

A vehicle lift is located behind Melbourne Room 1 with access via Rona Walk. Large deliveries and equipment can be brought directly to Levels 1 and 2. The maximum weight is 10 tonne.

Lift	Length	Width	Height
Truck lift	9.5m	3.5m	4m
Vehicle lift	8.1m	3m	3m
Eureka lift	3.5m	1.6m	2.4m
