

## Aging with a Developmental Disability Q&A Evening for Families of Persons with a Developmental Disability

Are you prepared for their aging process?

Do you know where to go for help in your area?

If you have questions like these and more, then this event is for you!

**Who should attend:** Parents, siblings, relatives, anyone who is involved in the care, safety and welfare of a family member with a developmental disability

**Sessions:** (all sessions take place from 6:30 to 8:30 PM)

**Kitchener-Waterloo Wednesday, Feb. 27th** Holiday Inn Kitchener Waterloo Hotel & Conference Centre -  
30 Fairway Road, South

**Toronto Wednesday, Mar. 20th** The Westin Toronto Airport Hotel - 950 Dixon Rd

We all age, it's part of the life cycle but when you are the primary decision maker for a loved one, some of the steps along the path may not be as clear as you'd expect. This evening event is a time for you to hear about possible decisions you could be faced with as your family member ages.

Our panel will help point you in the right direction to acquire information to help plan for this transition.
