14-17 May 2024 | ADB Headquarters, Manila, Philippines

ADB

Takehiro Kawahashi

Representative
JICA Philippines Office

Mr. Takehiro Kawahashi is a Representative of Japan International Cooperation Agency Philippines Office. He is in charge of JICA assisted railway projects such as North South Commuter Railway (NSCR), MRT3 Rehabilitation, and Philippine Railways Institute (PRI). He has extensive experience in the field of public transportation for more than 10 years. Before his assignment in JICA Philippines Office, he worked for public transport projects such as detailed design for India's High-speed Railway, technical cooperation for existing railways in India and Myanmar, and transportation project formulation in major cities in Kenya, Tanzania, Democratic Republic of Congo, Zambia, Mozambique and Senegal in Africa in JICA HQ. He also worked for research projects for Transit Oriented Development (TOD) and spillover effect of public transport projects. Before joining JICA, he was a Consultant in the field of public transportation formulation in Asia and Africa. He holds Professional Engineering (Civil Engineering, Engineering Management) in Japan.
