

# Innovative Tax Administration A Strategic Workshop

27-29 March 2023 | Tokyo, Japan

## Aekapol Chongvilaivan

Senior Economist (Public Finance), Southeast Asia Department, ADB

Mr. Aekapol Chongvilaivan is a Senior Economist (Public Finance) at ADB. Through ADB's lending and technical assistance, he supports the governments in Southeast Asia for public finance management (PFM) policy and reforms, including tax reforms, medium-term fiscal planning and budgeting, and public debt management. Prior to his current role, he was a Country Economist for the Philippines in ADB's Philippines Country Office. He joined ADB in 2013 through the Young Professional Program and had experience in ADB's Southeast Asia Department, Pacific Department, and Strategy and Policy Department. He holds PhD in Economics from the National University of Singapore.
