

PROGRESS TOWARD GREATER SUSTAINABLE FINANCIAL MARKET EFFICIENCY AND INTEGRITY

19, 24, and 26 November 2021

Dr. Ma JunFounder and President
Institute of Finance and Sustainability

Dr. Ma is the Founder and President of Institute of Finance and Sustainability (based in Beijing). He is also the Chairman of Green Finance Committee of China Society for Finance and Banking, Co-Chair of G20 Sustainable Finance Study Group, and Co-Chair of the Steering Committee of the Green Investment Principles for the Belt & Road.

Between 2018 and 2020, Dr Ma was the Director of Center for Finance and Development at Tsinghua University. Between 2014 and 2017, he served as the Chief Economist at the People's Bank of China (PBOC)'s Research Bureau and a member of the central bank's Macro-Prudential Committee. Before joining the PBOC, he worked for 13 years at Deutsche Bank, where he was Managing Director/Chief Economist/Investment Strategist for Greater China. During 1992-2000, he worked as a senior economist and economist at the World Bank and the IMF. From 1988-1990, he was a research fellow at the Development Research Center of China's State Council.

Dr. Ma published numerous books and articles on monetary policy, financial market, and green/sustainable finance. He led the drafting of China's green finance guidelines in 2015-16 and facilitated the global consensus on scaling up green finance under the G20 framework during 2016-18. Over the past decade, he provided advices to policy makers in many areas, including monetary and macro prudential policies, RMB internationalization, green finance, and the Belt & Road initiative.
