

Dr. Iskandar Abdullaev

Dr. Iskandar Abdullaev is Deputy Director (II) at the Central Asia Regional Economic Cooperation (CAREC) Institute.

He holds MSc and PhD degrees from Tashkent Institute of Irrigation and Agriculture Mechanization Engineers (TIAME) in Uzbekistan. Part of his PhD work, Dr. Abdullaev carried out studies at Iowa State University (ISU) in the USA. He has over 25 years of experience in water management, water institutions, environmental activities in Afghanistan and five Central Asian countries.

He joined Central Asia Regional Economic Cooperation (CAREC) Institute as Deputy Director in June 2019. From 2013 to 2019, Dr. Abdullaev worked as an Executive Director of Regional Environmental Center (CAREC) for Central Asia. Prior joining of CAREC, Dr. Abdullaev worked as Regional advisor for Germany's Berlin Initiative - Transboundary Water Management in Central Asia (Programme) at the German Society for International Cooperation (GIZ).

During 2007-2009, he worked in position of Senior Researcher at ZEF Centre for Development Research University of Bonn (Germany) and conducted research in Central Asia and Afghanistan. During 2001-2007, Dr. Abdullaev worked as a regional researcher at International Water Management Institute (Headquarters in Sri Lanka). His research focus included Central Asia, Iran, Pakistan, Thailand, and Sri-Lanka.

Dr. Abdullaev is author of 3 monographic books, over 30 peer reviewed articles, policy papers and presented more than 150 conference papers. Dr. Abdullaev have been regular guest and keynote speaker at the many international conferences such as Annual World Water Weeks and World Water Forums.
