Shivani Gupta

Senior Manager of Inclusive Design
Global Disability Innovation Hub

Shivani Gupta is the Senior Manager of Inclusive Design with the Global Disability Innovation Hub. She has over 25 years of experience working in disability inclusion. Her areas of work include improving the physical environments and services by promoting inclusive design. At the GDI Hub, she is a part of a team soon to publish the Global Action Report for making cities more inclusive based on primary participative research. Before joining the GDI Hub, she worked as a consultant with different stakeholders including the government, private companies and organizations of persons with Disabilities, and UN agencies to promote inclusion. She is based in India. She holds an MSc degree in Inclusive Environments: Design and Management from the University of Reading, UK. She did her PhD at the University of Maastricht, Netherlands. She authored her autobiography 'No Looking Back' as a woman with disabilities living in India published by Rupa Publications.
