CLEAN TRANSPORT FOR ALL

14-17 May 2024 | ADB Headquarters, Manila, Philippines

ADB

Ian Greenwood

Consultant
Asian Development Bank

Ian Greenwood is a chartered professional engineer who has worked in over 35 countries across the full range of infrastructure asset management activities. He completed his PhD in the subject of vehicle emission modelling over 20 years ago, and his recent work has been heavily focused on the related themes of Paris Agreement alignment of projects, climate resilience and adaptation. Ian has coauthored a number of international guidelines on topics of infrastructure asset management, climate change, performance based contracting, and risk management of road networks.
