

# ASIA AND THE PACIFIC TRANSPORT FORUM 2024

## CLEAN TRANSPORT FOR ALL

14-17 May 2024 | ADB Headquarters, Manila, Philippines

ADB

## Greg Wood

Consultant

**Mr. Wood** has worked for many years in the transport sector in over 50 developing countries. His experience is specific to roads and railways specifically with focus on policy, sector planning, trade and transport logistics, institutional restructuring and reform, maintenance management, project economics, project finance, development of public private partnership policy and implementation, contracting out and procurement. He has recently completed assignments related to transport sector reform including commercialization of SOEs, institutional reform of railways, public private participation in the transport and water sector, establishing maintenance management strategies and planning for road networks, feasibility studies of transport investments, transport sector strategic planning, support for provincial road development and inland water transport investment needs assessment. Those assignments have been carried out for the EBRD, the World Bank, the ADB, AfDB, AusAID, CIDA and through direct country support.
