

2022 Asian Regional Forum on Investment Management of Foreign Exchange Reserves

26 - 27 October 2022 | Singapore

JONATHAN GROSVENOR

Assistant Treasurer
Client Solutions Division
Treasury Department
Asian Development Bank

Jonathan Grosvenor manages ADB Treasury's local currency financing, client outreach and capacity building in capital markets. He leads ADB Treasury's rapidly growing engagement in Asian local currency markets, knowledge-sharing, and client asset-liability management.

Jonathan has over 30 years of professional experience in treasury and capital markets. Previously he worked at KBL in Luxembourg as Group Head of Global Markets & Treasury managing cash flows, currencies, and interest rates, whilst also serving on the Board of the Luxembourg Stock Exchange. He has also worked extensively in Asia, interfacing with government agencies, central banks, securities market regulators, financial institutions, investors, and corporate clients.
