

# Innovative Tax Administration A Strategic Workshop

27-29 March 2023 | Tokyo, Japan

## Anu Anand

**Service Leader, International Revenue Strategy, Inland Revenue, New Zealand**

Anu is the Service Leader (International) in Inland Revenue, New Zealand. In this role Anu is responsible for the international tax strategy and intelligence, exchange of information and international engagement functions. Anu also serves as a primary Competent Authority for New Zealand, responsible for the resolution of double taxation disputes, the negotiation of bilateral advance pricing agreements and all forms of exchanges of information. Anu has been recently appointed the vice-chair of the Automatic Exchange of Information Peer Review Group (APRG) that is the oversight group responsible for the effective implementation of the common reporting standard around the globe. Anu has also been an expert trainer for several EOI events and is now also an expert assessor for the second round AEOI effectiveness peer reviews commencing in 2023. Anu has a Psychology and Project management background and has been in tax compliance for over twenty years.
