Patrick Duong

Regional Advisor, Lead Governance
and SDG Localization,
UNDP Hub for Asia and the Pacific

Patrick Duong leads UNDP's work on local governance and SDG localization in Asia and the Pacific. He is based in Bangkok in the UNDP Regional Hub that serves 26 countries. Patrick has over 20 years of experience at policy and technical level. He has advised governments in several senior advisory positions in Asia and Africa. He earlier worked with civil society organizations, DFID, and the EU in Africa, the Middle East, and in the Balkan region.

Patrick is originally from Vietnam; he was born in 1967 in Morocco, grew up in Africa and studied Political Science and International Public Law in France.
