Rahmonzoda Inoyatullo

Project Manager for Green Road project “Dangara-Guliston”

Rahmonzoda Inoyatullo is a civil engineer and economist with more than 15 years of professional experience in the construction industry and financial management system. He has extensive experience in project and contract management, construction supervision, technical assistance and financial management. He has worked on national and international projects financed by public funds and international development agencies such as ADB, EBRD, AIIB and OFID funds, consistently delivering timely results in challenging environments.
