Imagine H2O Asia is the first accelerator exclusively focused on scaling water technology startups across Southeast Asia and the wider region. Since 2018, Imagine H2O Asia has provided the resources to develop and deploy 25 global startups from the organization's hub in Singapore. Participating entrepreneurs receive mentorship, industry visibility, pilot funding awards as well as access to a dedicated network of regional customers and investors. The program is led by Imagine H2O, the global water innovation accelerator and nonprofit organization, and supported by Enterprise Singapore, SUEZ, ADB Ventures, Kurita, PUB, and the Singapore Water Association.
