Poornima Singh

Manager, Research and Membership Services, Asia-Pacific Union Internationale des Transports Publics (UITP)

Poornima is the Manager for Research and Membership Services at the UITP Asia-Pacific division. She has over 8 years of experience in managing, leading, and coordinating various projects in the fields of urban planning and public transport. At UITP, she is responsible for research projects at the Asia-Pacific Centre for Transport Excellence (CTE) with the Land Transport Authority of Singapore (LTA), conducting trainings, webinars, and programme management. Currently, she is finalising a research project on the Governance of On-demand Mobility Services.

She is also supporting UITP Asia-Pacific in managing the working bodies of authorities and operators and working closely with UITP members in the Southeast Asia region to promote public transport. Before joining UITP, she worked as a researcher at the National University of Singapore and has worked on various projects related to urban planning, climate change, smart cities, and sustainable mobility.
