Integrated public health and economic empowerment for urban poor in Pakistan

Lahore and Muzaffargarh, Punjab, Pakistan.

October 2017 to August 2019

Target Beneficiaries

Urban Slums and Informal Settlements

- Union Council 153 and 156 of district Lahore
- Municipal Corporation, Muzaffargarh

Project Objective

Poor urban women, men and youth in Punjab provinces of Pakistan have improved access to decent income opportunities and dignified healthy habitat.

Result 01: Communities contribute to the **local governance and oversight at district level for citizen rights and social cohesion.**

Result 02: **Local authorities become more responsive and have improved capacities**

Result 03: Communities have improved access to WASH services and vocational and technical skills

Effective Citizens Groups developing Union Council Development Plans to present in Social Accountability Forum

Effective Citizens Groups organized Social Accountability Forum to ask duty bearer departments about the submitted applications
