Welcome

The Australian Rehabilitation and Assistive Technology Association (ARATA) and the 2024 Conference Organising Committee extend a warm invitation to your organisation to partner with us in the upcoming 2024 Australian Assistive Technology Conference (AATC2024).

This event is scheduled to take place at the Gold Coast Convention Centre from November 6-8th, 2024.

ARATA serves as a national association for facilitating information exchange and collaboration among individuals involved in the use, prescription, customisation, supply, and ongoing support of assistive technology. Since its establishment in the mid-90s, ARATA has been at the forefront of organising various assistive technology-focused events, including a biennial conference renamed the Australian AT Conference (AATC) in 2016.

The theme for AATC2024 is ***Sun, Sea, and AT: the rising tide of innovation and inclusive technology***, which reflects the conference location and how assistive technology enables participation and independence.

AATC2024 anticipates hosting over 300 delegates including AT users, technology developers and providers, rehabilitation engineers, occupational therapists, physiotherapists, speech pathologists, nurses, psychologists, education specialists, academics, government representatives and funders of AT.

This two-day conference, preceded by a day of workshops, promises to be a focal point for insightful discussions, knowledge sharing, and networking opportunities for professionals and enthusiasts in the field of assistive technology and home modification.

We invite you to be a key part of an exciting exhibition highlighting the latest AT products and innovations. To increase the reach of the exhibition, the general public will have free access to the exhibition at a nominated time during the event. AATC2024 is a great opportunity to engage with all AT stakeholders.

Your participation is crucial to the success of the conference, and we encourage you to join us on the Gold Coast, sharing your experiences of AT and innovative developments with the wider ARATA network.

We look forward to hearing from you

Denise Luscombe (Exhibition Liaison)
Desleigh de Jonge (Conference Convenor)

on behalf of the Conference Organising Committee

Sustainability Matters

We are very pleased and excited to make AATC 2024 as sustainable as possible to reduce the carbon footprints associated with attending the Conference.

Here are some of many ways we will be practising sustainability:

- recycling of packaging
- donatable goods, equipment, and furniture, and
- reduce waste as a whole
- charity donations rather than speaker gifts

Click on [this link](#) for further information on the ways the venue are helping towards a truly sustainable event.

All Occasions Group is passionate about Sustainability and have environmentally friendly events.

We understand that there is often a lot of waste especially with branding from sponsors and exhibitors, we make it our goal to reduce, reuse and recycle as much as possible in our events while still giving sponsors and exhibitors the best brand awareness. Some areas we take specific care is printing, reducing co-branding to decrease single use products, promoting reusing and encouraging digital branding etc.

Ask us how you can help.

Conference Themes

The themes for the scientific program are:
people, policy, products, provision, personnel and place.

In recognition of the role of the environment in promoting independence, participation and the effective use of AT, *Place* has been added to the WHO-GATE 5P framework. [More information >](#)

You will be contacted with a confirmation letter to confirm your acceptance as a Sponsor/Exhibitor.

Cancellations will be accepted in writing only. A cancellation notice received 3 months or further prior to the Conference start date will be subject to a 50% cancellation fee. A cancellation notice received within 3 months of the Conference start date will be subject to a 100% cancellation fee. All requests must be received in writing for Committee approval should you wish for reimbursement.

Should a cancellation occur due to a pandemic (COVID-19 or otherwise) which results in restrictions, immediate lockdowns or closed borders that are put in place by the Government, your Sponsorship or Exhibition arrangements will be transferred to virtual only, and the difference reimbursed.

Legal Responsibility

The Australian Rehabilitation & Assistive Technology Association Inc., the Conference Organiser and the Gold Coast Convention and Exhibition Centre ('the Organisers') accept no

responsibility for any act, omission or other default on the part of the Exhibitor/Sponsor during or in connection with the Conference that results directly or indirectly in any loss, damage, personal injury or death.
