## Conditions of Retiree Membership

As per the vote held at the 2019 AMG, members have agreed that CENA's Constitution will be amended, with the following addition:

### 11.6

'Retired Member' is a sub-class of College membership. A Retired Member is defined as a financial member of the College who has completely and permanently retired from practise and is no longer registered to practice with the Nursing and Midwifery Board of Australia. Nurses who are otherwise eligible to apply for full membership, as defined under section 8 of the Constitution, will not be admitted as a Retired Member.

#### 11.6.1

Such persons, if admitted as a Retired Member, will be invited to take part in any election or vote on any matter or hold a position on a Branch Committee of Management or the National Board.

#### 11.6.2

A member who wishes to be recognised as a Retired Member, must apply in writing to the College on the prescribed form. Such application will not be recognised until the application is considered and accepted by the College.

#### 11.6.3

A retired member remains entitled to use the post-nominal associated with their preceding category of membership (e.g. MCENA, FCENA).
