The institute for professional physicists

# NZIP & PHYSIKOS 2023

CONFERENCE | 3 - 5 JULY 2023

Massey University Albany Campus  
Auckland, Tāmaki Makaurau

## KIA ORA PHYSICS COMMUNITY!

**We are delighted to invite you to Auckland for the 19th Conference of the New Zealand Institute of Physics, incorporating Physikos, the New Zealand Physics Teachers Conference from 3 – 5 July 2023. Our venue will be Massey University Albany Campus, which is in the North Shore area of the city.**

### ABSTRACTS & WORKSHOP PROPOSALS DUE 31 MARCH

Abstract submissions are welcome across all physics topics and proposals for interactive workshops aimed at educators are also encouraged. Submissions are also sought for the following featured symposia:

- Advances in light and matter interactions: materials, fabrication, characterisation, and application
- Localised linear and nonlinear waves in photonics and condensed matter
- Mātauranga Māori me te Ahupūngao e pa ana ki ngā Tangata Whenua o ia rohe, ia motu
- Pasifika Science: Practice and Engagement
- The Many Paths of Physics: Exploring Non-Academic Careers
- Space physics research and pedagogy in Aotearoa

**Questions? Email [nzip2023@confer.co.nz](mailto:nzip2023@confer.co.nz)**
